THE BOSTON SLAVE CASE

Boston, April 11.

The committee appointed by the Senate to appearing the conduct of the Sheriff and other conducts.

ntessible. Marshat Tokey, in his examination before the investigating Committee of the Senate, this become, said:
"I have not been ordered to assist in taking the prisoner away, excepting in the general ordered.

## Borrow, Salametey, April 12. After the decision of Jedge Woodbury hast night, that there was no ground to interfere with the occulience of Hr. Certie remanding Stees, preparations beging tells made to convey him back. The brig Agern had been heated to the tood of Long Wharf, having been previously divid up for an axive number of passesses. visually filled ap not me wanteres. Define the night, Coapt-House Square was filled with a crowd who shere collected in knots discossing the master and occasionally hooting at the officers. There were a number of females among them. The proceedings in sud about the Coart House were closely watched but the Abolitionists. At about 8 of clock the

other marters appertaining thereto. Although the marters appeared to the ease have been long since communicated by telegraph, a deep interest attached to these particulars, as they illustrate the firmness of the judiciary, and the inflicable determination of the chizens of Boston to enforce the law, while they point out the maders and depreration of the abolitionists. We make no apploay to our readers for giving them a prominent place in our column. We repite and we believe, the citizens of Louisiana will replace the weather of the case of Stankarch had pastly subjected her. When we bear in mind the number of abolitionists in Boston, their inflammation in the case of Stankarch had pastly subjected her. When we bear in mind the number of abolitionists in Boston, their inflammation of the commonwealth of Massachusetts where the public mind, their inflammation may be considered the subject of the commonwealth of Massachusetts we feel convinced that the vicor, resolution and fixedness of purpose with which the authories tive acted on this last occasion are wortly of the highest commendation. To chey a law which we approve costs us nothing (but to yo id ready, prompt and untaltering homage to a statute which clashes with the cherished opinious and prejuders of a whole community is a moral trumph that can alone be witnessed in a country where the people themselves are the law makers, and are reared in the halit of ready, prompt and untaltering homage to a statute which clashes with the cherished opinious and prejuders of a whole community is a moral trumph that can alone be witnessed in a country where the people themselves are the law makers, and are reared in the halit of ready, prompt and untaltering the confidence of a whole community is a moral trumph that can alone be witnessed in a country where the people themselves are the law makers, and Whereas, One of the chief duties of the Permanent Committee on Ways and Means will be to correspond and endeavor to form combinations with either side States in furtherance of a common system of Railroads, leading was Jackson, Mississipi, to New Orleans, therefore,

Judge Woodbery thes alternoon decided to enver up the larging sinso to the IS. Markell.

There was much appliause in coart on the an concentent of the decision, and also when the dige, in reply to an observation of prisoner's sinsel, exclaimed emphasically, "I thank God at Massachisette is still a State of the Union, and so long as she as such, I shall administer a law of the Homon or perish in the attempt. A crowd of about one thousand persons to hear head to night. They were accommand on the following most propose force. They received cheers, roans and hosses. A cry for three cheers for the following and the following that their intended doins a glorious manner.

A few mergoner comed the only disturbers of the peace.

It or stated that Sims has been bought for 1.5 March Western of the city, but this is doubt, not the sound of the peace.

The restrict of the city, but this is doubt, so not the case of the city, but this is doubt, not the sound of the peace of the city, but this is doubt, the normal decided to be peace.

And, whereas, our sister States, which are not thus feitered in power and prosperity, under treer and more rational financial systems, are advancing in prosperity, with a rapidity which is the admiration of the world.

And, whereas, it is dearable to place the citizens of the State of Louisians on something like an equality in this respect, with the citizens of our sister States,

Be it Resolved, That with a view of eventually radiong ourselves of these unnecessary and fatal impediments to our progress, a committee of five members be appointed by the President, whose special duty it will be to prepare and cause to be presented, under the name

The committee appointed by the Setaste to investigate the confluct of the Sherill and other officers relative to serving the warrant upon Sims, met this morning. The Sherill estilidate that the marshal refused to allow the warrants to be served except by force. The Mayor tending that the committee of the commit Boston, April II, 12 P. M.

The halvas corpus case came up before Judge.
Woodburg this alternoon. The same discussions at hericitore strone. Mr. Thomas claimed that it was his right to appear solely as council for Sims, holding as he did the certifiers from the commissioner, remaining Sims to his master, as Sims tow stood, as regards he master in the situation of ward. Mr. Sewall reduction to the situation of ward. Mr. Sewall reduction of Massachusetts.

Service from control and contr on the situation of a ward. Mr. Sewall replied that the situation of ward. Mr. Sewall is always extense to me maniform of slavery. For his part, be thanked God Massachusetts was still as Sixte of the Union which recompted the maniform of slavery. For his part, be thanked God Massachusetts was still as Sixte of the Union which a Sixte of the Union which as Sixte of the Union of Sixte of the maniform of slavery. For his part, be thanked God Massachusetts was still as Sixte of the Union of Union. Great appliance in court room—marshal called loudly for order?

Mr. Somer then argued the case at length, and Mr. Curtus regoined.

Indige Woodbury then proceeded to give his opinion. He decided that the warrant was leading and that the inarshal acted properly in reliability to officer; and, taking the critical relationship of the marshal in the proof of lib society, in a serious re, sirking at the roof of ill society, in a serious re, sirking at the roof of ill society, in a sensition to leaw, and should the officer failto prosecute it, be would be highly culpable, evigency of the marshal.

The usual affiliary, that he lears a rescue, has been inade by the agent of the claimant, and probably such a force will be detailed of tolice, minary, &c., to earry Sims out of the Six as will render even an attempt at rescue intesestible.

Marshal Tokey, in his examination before

Smoat Darsman.—Mrs. Bloomer, editor of the Lift has adopted the "short dress and trowsers," and says in her paper of this month, that many the of women in that place (Seneca Palla) oppose the change; others laugh, others still are in favor; "and many have already adopted the dress." She closes the article upon the subject as follows:

There not been ordered to assest in taking the prisoner away, excepting in the general order to preserve pace. I think it my duty thereby to see a prisoner beyond the line of the State. I think our presence will prevent a man nombeing killed. My men have no weapons—such as fire arms and knives. Lass night we put away all weapons in a sale place.

"My men, however, have drilled with simple hand them by the United States Mashal. I don't think weapons will be needed, as some 15/3 to 2000 persons have volunteered to preserve prace. One hundred and fifty caulkers, three hundred truckings, a company of hereins, heades merchanicy hand directors, tradestinent have dered their services. I andersood that a number of decountymen, excited by From California.—The steamship Prometheus strived to countymen, excited by the Mashal and the state of the sta

[CORRESPONDENCE OF THE BER.]

NEW YORR, April 12, 1851.

A bright, clear, cold sky, over Broadway, is e-unewhat obsoured by the enobe arounding from the raise of the block adjoining the How and Hotel. The first of the stores burnt was a new and elegant free stone building, which Hadson and Robertson had only occupied about three months. The fire originated in an upper terms of the hillding had from the accident.

will leave here on the 15th instant, and make the ron down to New Orleans in seven days. The new steamer Winfield Scott, for the New York and. New Orleans trade, will make her maiden try on May day.

Wm. B. Dinsmore, E.sq., of the firm of Adams & Co., is now on his way home from New Orleans, where he has leased the whole of the fine edition No. 72 Comp street, and firted it up for their Call from Express. The lagre Express tim have made nearly half a million of dollars by their business during the last ten or twelve years. It embraces five partners—viz: Alvan Adams, Boston; W. B. Dinsmore, New York; E. S. Sandford, "histaletphis; Sam! M. Shoemsker, Baltimore, and D. H. Haskell, San Francisco.

They propose to complete their facilities and strength in the South, by connecting in that our strength of the strength of the control of the strength of the s
