OFFICIAL NOTICES.

BY PROCLAMATION
BY JOSEPH WALKER,
Governor of the State of Louisiana.

WHEREAS, a vacancy has occurred in the House of Representatives of the Congress of the United States, by the resignation of the Hon. Charles M. Conrad, of the Second Congressional District of the State of Louisiana: I therefore direct that an election be held in the said Congressional District on the fifth Monday of September next, 1850, at the usual places of holding elections, in conformity to existing laws, for a Representative in Congress to fill said vacancy, and serve for the unexpired term for which said member was elected.

Now, therefore, I have thought proper to issue this my proclamation, notifying the electors and qualified voters in said District and commanding the Sheriff, Commissioners of Elections, and all other officers therein concerned, to hold the said election on the said fifth Monday of September next, for Representative as aforesaid. The officers to be conducted and returns thereof made in all respects according to the provisions of the Constitution and laws, in such cases made and provided.

Given under my hand and the seal of the State in the town of Baton Rouge, this 31st day of August, A. D., 1850, and of the Independence of the United States the seventy-fifth.

By the Governor, JOSEPH WALKER.
CHARLES GAYARRE, Secretary of State. 42

HEAD QUARTERS.

STATE OF LOUISIANA,
EXECUTIVE OFFICE.
Proclamation.

WHEREAS, in conformity with an Act of the Legislature of the State of Louisiana, approved 18th March, 1836, entitled, "An Act to authorize the Governor of the State to execute mortgages and receipt new securities in certain cases," James Pavlet, to secure the faithful performance and execution of his duties as Parish Judge of the Parish of West Baton Rouge, did mortgage and hypothecate in favor of the Governor of this State, a certain tract of land on which said Louis Favrot now resides, situated in the Parish of West Baton Rouge, and containing two arpents front on the Mississippi River, by forty in depth, and part of another lot bought by said Favrot of the sum of five thousand dollars, the amount of his curity which by law said Louis Favrot was called to give, and which act was executed by Edward D. White, then Governor of the State of Louisiana, in appears by an Act passed at the city of New Orleans, before Theodore Sedgers, Notary Public, on the 29th day of August, 1836, and now recorded in the Recorder's office of West Baton Rouge.

And whereas, said Louis Favrot has applied to me for the cancelling of the above recited mortgage.

Notice is therefore given to all persons interested to show cause (if any exist) why the action of the Secretary of State with a ninety days term and after the last publication of this notice, why said mortgage should not be cancelled and annulled.

Given under my hand and the seal of the State of Louisiana, at the city of New Orleans, this 21st day of July in the year of our Lord one thousand eight hundred and fifty, and of the Independence and Liberty of the United States the seventy-fifth.

By the Governor JOSEPH WALKER.
CHARLES GAYARRE, Sec'y of State.

Specifications concerning the square block paving of the Public Road, from the eighty-eight parallel street, of Chartres street, from Canal to Jefferson street; of Conde street, from Madison to Esplanade street, and of Royal street, from Canal to Esplanade street:

Quality and Dimensions of the Materials.

The square blocks shall be of granite of the best quality, hewed and dressed on the top and bottom measuring not less than 10 by 10 inches square, and not more than 16 by 16 inches square, and 10 inches thick. The curb stones shall be of granite of the best quality, hewed and dressed, with the upper edge bevelled after a manner as to correspond with the grade of the bracking of the sidewalk. Such curb stones shall be from 12 to 26 inches in width, and 30 inches long. The gutter stones for the bottom of the bridges shall be of granite, hewed and dressed. They shall be 12 inches in width, and from three feet long, and four inches thick. The shells shall be of granite well dressed (Lake shells). The sand shall be either Lake or Rancher sand, pure and large grain.

Manner in which the Work shall be done.

The curb stones shall have a inclination towards the side walks of 3¼ inches for each foot in height, and shall join to the side walks as near as the old paving shall have been removed from a square, the Contractor shall leave the ground picked and the street graded on a regular grade, he shall then cover the same with 6 inches of gravel or Lake sand, and the paving shall be laid in a manner compact with the roller. Said paving shall, when completed, present an even and perfect closed surface, otherwise it shall be rejected by the proper authorities. The stone of the bridges at the intersections of all the streets shall consist of hewed and dressed curb stones, 26 inches in width, and 30 inches thick. The bottom shall be of hewed and dressed gutter stones, 4 inches thick. The whole shall rest on a bed of Lake shells or gravel 6 inches thick, and well compacted by the roller. The wings of the bridges shall be at least 35 feet long, and shall be made of hewed and dressed curb stones from 26 to 18 inches wide, and 30 inches long. The thickness of the bridges shall be of not less than 4 inches, and shall be further supported by the Contractor.

All the materials shall be furnished by the Contractor.

The old round stone paving, the old curb and gut ter stones which shall be taken up by the Contractors, and the surplus of earth picked out from the streets, shall become the property of Municipality No. One, which shall remove the same.

All the lines to cut grades, &c., shall be given by the Surveyor, and the Contractor shall be responsible for the proper execution of said paving, agreeably to the foregoing specifications.

The work shall be adjudicated in four sections as follows, viz:

Sec. 1. The Public Road from Customhouse to St. Ann street.

Sec. 2. Chartres street from Canal to Esplanade street.

Sec. 3. Royal street from Canal to Esplanade street.

The contractor for the 1st and 2nd sections, shall bind themselves to have the work begun on or before the 1st of January, 1851, and to cause the same completed on or before the 31st December, 1851. The contractor for the 3d and 4th sections, shall bind themselves to have the work begun on the 1st of January, 1852 and to have the same completed on or before the 31st of December, 1852, under default by them so doing, the contractor shall have the right to declare the contract void, and said work will in that case appertain to the Municipality, and shall have the work done at the risk and cost of the contractor.

In case the paving of one of the sections should not be completed in the time above specified the contractor shall bind themselves to keep the paving in good order for two years after the completion of each section.

Each of the contractors shall furnish good and solvent security for the amount of his contract.

Payments as follows:

The prop erty due by the Municipality shall be paid each alternate month on the estimate of the square and on the presentation of the certificate of the Surveyor, stating that the work has been done according to the plans and specifications and has been accepted by him; and the proportion due by the Municipality shall be paid by the contractors.

New-Orleans, July 27th, 1850.

MEDICAL.

DR. S. P. TOWNSEND'S SARSAPARILLA.

WONDER AND BLESSING OF THE AGE.
THE MOST EXTRAORDINARY MEDICINE IN THE WORLD.

THIS extract is put up in quart bottles; it is the strongest, pleasanter, and warranted superior to any and all other preparations of the kind now before the public. It cures diseases without vomiting, purging or sickening or debilitating the patient.

The great beauty and superiority of this Sarsaparilla over all other medicine is, whilst it eradicates disease, it invigorates the body. It is one of the very best

SPRING AND SUMMER MEDICINES,

ever known; it not only purifies the whole system—It strengthens the person, but it creates new, pure and rich blood, a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within this past five years more than 100,000 cures of severe cases and diseases; at least 15,000 of these were considered incurable, it has saved the lives of more than 5000 children during the two past seasons.

TEN THOUSAND CASES OF GENERAL DEBILITY AND WANT OF NERVOUS ENERGY.

Dr. Townsend's Sarsaparilla invigorates the whole system permanently. To those who have lost their manly energy, and have become prematurely broken down from the use of quack medicines or indiscretion or the pernicious, and frightful consequences of the passions, and brought on a general physical prostration of the nervous system, inattitude, want of ambition, fainting sensations, pressure down and other distressing symptoms tending toward that fatal disease, Consumption can be entirely restored by this pleasant remedy. This Sarsaparilla is far superior to any

and renews and invigorates the system, gives activity to the frame, and strength to the muscular system, in a most extraordinary degree.

Consumption Cured.

Coughs and Strong Colds—Consumption Cured—Bronchitis, Consumption, Liver Complaint, Colds, Catarrh, Coughs, Asthma, Spitting of Blood, Soreness of the Chest, Whooping Cough, Croup, Difficult or Profuse Expectoration, Pain in the Side &c., &c., are soon cured.

Spitting of Blood.

NEW YORK, April 26, 1847.

Dr. Townsend—I verily believe that your Sarsaparilla has been the means, under God's providence, of saving my life. I have for several years had a bad cough. It became worse and worse. At last I raised large quantities of blood, had night sweats, and was greatly debilitated and reduced; and did not expect to live. I have only used your Sarsaparilla a short time, and find myself in a wonderful change wrought in me. I can now able to walk all over the city. I raise no blood and my cough has left me. You can well imagine that I am thankful for these results.

Your obedient servant,
WM. RUSSELL, 63 Catharine st.

Rheumatism.

This is only one of many in which four thousand cases of Rheumatism that Dr. Townsend's Sarsaparilla has cured. The most severe and chronic cases are weekly eradicated by its extraordinary virtues.

James Cummings, Esq., one of the assistants in the Lunatic Asylum, Blackwell's Island, is the gentleman spoken of in the following letter.

Lunatic Asylum, Blackwell's Island, Sept. 14, 1847.

Dr. Townsend—Dear Sir—I have been afflicted for nine years with the Rheumatism, considerable of the time I could not walk, stoop, or walk. I had the utmost distressing pains, and my joints became terribly swollen. I have used four bottles of your Sarsaparilla, and they have done me more than one thousand dollars worth of good. I am so much better—indeed, I am entirely relieved. You are at liberty to use this for the benefit of the afflicted, as you respectfully,
JAMES CUMMINGS.

To Mothers and Married Ladies.

This Extract of Sarsaparilla has been expressly prepared in reference to female complaints. It is made with the reason to suppose she is approaching that critical period, "change of life." She should neglect to take it, as it is a certain preventive for any of the numerous and horrible diseases to which females are subject at this time of life. This period may be delayed for several years by using this medicine. It is of these valuable for those who are approaching womanhood, as it is calculated to assist nature by quickening the blood and invigorating the system. Indeed this medicine is not suitable for all the delicate diseases which females are subject. It braces the whole system, it restores and regulates the natural energies. In removing the numbers of the body, it is a powerful agent. It will not produce a subsequent relaxation, which is the result of most medicines taken by female weaknesses and diseases. And all young females who are subject to many severe and painful surgical operations may be prevented.

Great Blessing to Mothers and Children.

It is the safest and most efficient medicine for purifying the system, and relieving the sufferings attendant upon childbirth ever discovered. It strengthens the mother and the child to a remarkable degree, and those mothers who have used it think it indispensable. It expels the worms from the stomach and other entanglements. It also prevents diseases attendant upon teething, such as fevers, colic, cramps, vomiting of the feet disorder, looseness, &c. It is a most delightful medicine, and permits children to take it with safety. It allays the secretions and regulates the circulation of the whole system. The following are a few of the many certificates of its wonderful and unparalleled success for very low, cases require any other medicine to work a perfect cure. Even in the worst and most confirmed cases of Consumption, Dyspepsia, Liver Complaint, Erysipelas, Scrofula, Rheumatism, Piles, Fever Sores, Ulcers, Blotches on the Skin, Female Complaints, Jaundice, Mercurial Diseases, Salt Rheum, Fever and Ague, Chronic Diarrhœa, Dropsy, Gout, Neuralgia, Dyspepsia, Sick Headache, Pain in the Side, Back and Limbs, Female Weakness, Nervousness, Blotches, Debility, Low Spirits, Blindness, Lumbago, Tetter, Coughs, Colds, Asthma, Whooping Cough, Croup, Bronchitis, Spitting of Blood, Pain in the Breast, Liver Complaint, Dropsy, Fever and Ague, Chronic Diarrhœa, Dysentery, Jaundice, Rheumatism, Dyspepsia, Sick Headache, Pain in the Side, Back and Limbs, Female Weakness, Nervousness, Blotches, Debility, Low Spirits, Blindness, Lumbago, Tetter, Salt Rheum, Scald Head, Ringworm, Scurvy, Erysipelas, Itch, Scrofula, Consumption, Liver Complaint, Dropsy, Fever and Ague, Piles, Fever Sores, Ulcers, Blotches on the Skin, Female Complaints, Jaundice, Mercurial Diseases
