BULL'S GOOD TESTIMONY.

The Ohio State Journal, (Columbus, Ohio,) thus speaks of Bull's Sarsaparilla:
It is not to be denied—The unprecedented sale of Bull's Compound Fluid Extract of Sarsaparilla, in this city, where it has been introduced for the past two months only, with the very gratifying effects produced upon all who have used it, is a matter of some interest, as it is a purifier of the blood IF HAS NO EQUAL. This is a bold assertion, but it can be established by calling on the agent, Mr. Bull, Main street.

Bear with us reader, a little longer, and be convinced that BULL'S SARSAPARILLA is the WONDER OF THE WORLD!
And that it will cure you no matter how long you have been afflicted.

What Dr. Owen, Druggist and Apothecary of several years standing, says about BULL'S SARSAPARILLA:

LOUISVILLE, May 31, 1848.

Mr. JOHN BULL—Dear Sir—I have been for a number of years afflicted with a Mercurial Headache, and a dull heavy pain in my Liver. I used almost all the remedies of the day, especially the Sarsaparilla prepared by different persons, but all to little or no advantage, and I ceased to use it. Of yours, three bottles of which gave me much relief than all the others combined.
I therefore take pleasure in recommending your sarsaparilla to the afflicted community as a superior article. Very respectfully,
J. H. OWEN.

RHEUMATISM

If Let all those who are suffering under the agonizing tortures of Rheumatism, read the following, and see what may also be done for them, if they will use the infallible remedy.

Mr. JOHN BULL—Dear Sir—For the last three years I have been afflicted with Rheumatism of the severest character. The pain deprived me of sleep and nearly all power of motion. I tried every remedy I could procure for the disease, but found no permanent relief until I was induced to use your preparation of Sarsaparilla, which has entirely cured me of Rheumatism, and greatly improved my general health, more than any medicine I have ever taken.
I have been free of pain for several months, and have no doubt the cure is permanent, and I cordially recommend it as being the best medicine I am for rheumatism. ISHAM BRIGGS,
Caloosaws, Union Co. Ky. May 12, 1848.

From Dr. Wm. T. Prentiss:
Mr. BULL—In regard to your sarsaparilla, I will say that I have used it in some cases of Cutaneous Affections of long standing, as Tinea Capitis, Lepra, Psoriasis, Scabies, Syphilitic, Cachexia, and in all diseases of the secretion of cutaneous tissue, on account of its thorough change or modification of the fluids of the body, with considerable success, in conjunction with constitutional treatment. I also prefer it to any preparation of Sarsaparilla in use, and any physician will admit its value upon learning the substances that enter into its composition.
Respectfully yours, W. T. PRENTISS, M. D.
Lexington, Ky. Dec 4, 1847.

It is perhaps needless to produce any further testimony in favor of this great remedy, it has only been introduced to ourselves in the public ear, and superior efficacy. Let all who are laboring under chronic diseases general derangement, nervous debility, weakness, loss of memory, or any thing of the kind, give it a fair trial. There are thousands throughout the land who stand in need of it, and who will, we assure them that they will not regret it.

NOTICE TO PEDDLERS

John Bull's Sarsaparilla is one of the greatest Patent Medicines now in existence. In those communities where the institution is debilitated, the demand is great in the same ratio. Peddlers are weak and deficient, or are profuse and over wrought, when the face is pale and colorless, the tongue coated and yielding a dingy brown or leaden appearance, the health broken, mind shaken, and unexpectedly the business destroyed—then Bull's Sarsaparilla is wanted. Peddlers, especially those who are subject to the above symptoms, can obtain the services of any Physician in the country, by writing to us with the pecuniary consideration, and we will
