1 d a avery. Le The Washington Union speaks of Mr connecte's letter to Mr. McKnight, of Georgia, terms of high praise. It says: We should e user y wanting in liberality if we did not conful v approve the spirit of Mr. Fillmore's letter. We hall it with pleasure as a sign of a determination to execute in good faith the laws or the hand, and especially the important has upon which the Union of these States

THE COMMITTIE OF ARRANGEMENTS.—Late as in the hour we cannot allow our paper to go to press without saying a low lines in commento press without saying a low lines in commen-dation of the superior and excellent manner in which the Commettee of Arrangements for the great Union. Meeting discharged their duties last ingut. Those duties, it is needless to say, were not of a light or easy character. On them devolved all those innegation minuta-which go so far towards ensuring the comfort of the public, and we oche the general senti-ment at thing that everything was well done. And especially are we indebted to the commit-tee for the liberal accommodations afforded to the edition and reporters of the press.

them devolved all those inaugments minute where go so far towards ensuring the comfort of the public, and we oche the general sentiment at trung that everything was well done. And especially are we indebted to the committee for the interal accommodations afforded to the edit is and reporters of the press.

Frankfort, (Ky) Nov. 19—r. M.

Mr. Clan's Ricketion and Special.—The blench of theiny Clay before the Legistative of kenticky at Frinkfort is published. He was traduced by Mr. Payne in an eloquent and the thought of the horse the high commitment tendered in the light commitment tendered in the High commitment of the figure slave law. He held that the opposition manifested towards this great compromise measure, was at present domained the proceedings of the fannation of the Fourth and of the tree States in opposing the eventum of the figure slave law. He held that the opposition manifested towards this great compromise measure, and the house the heave, all pure particularly the sentiments of the section of the heave, all pure particularly to the rentiments of the section of the High country. Mr. Cas descented at length upon the great incanaries of the country, and retirectated many it the sentiments he autered in the Scinder High country. Mr. Cas descented at length upon the great incanaries of the country, and retirectated many it the sentiments he autered in the Scinder High country. Mr. Cas descented the length upon the great incanaries of the country, and retirectated many it to sentiments he autered in the Scinder High country. Mr. Cas descented the Union at the most closure with the country of the mention of partners, and called upon all the passes of the cou
