OFFICIAL NOTICES.

Head Quarters.—Lafayette Legion.

A. R. 75—GENERAL ORDERS—NO. 9.

Celebration of the Fourth of July, and Inspection.

IN conformity to an order issued from Head Quarters of Maj r General John L. Lewis, the Louisiana Legion will assemble in arms, in full parade dress, on FRIDAY, the 4th July, at 6 o'clock A. M. precisely, on the new Place d'Armes, for the celebration of the 75th Anniversary of our glorious national Independence and for an inspection.

Major Gally, commanding the Artillery, shall cause national salutes to be fired on the 3d July at sunset, and on the 4th at sunrise and at noon, from the New Place d'Armes and Washington Square.

The commanders of companies shall deliver to the brigade inspector, Major Chatry, a correct roll of the men under arms at the said review.

Colonel Amadeo Landry, commanding the Regiment of Infantry, Major Gally, commanding the Artillery, and Major Chatry, commanding the Cavalry, are charged within their respective commands with the execution of the present order.

D. AUGUSTIN, Brig. General.

Head Quarters—First Division L. M.

GENERAL ORDERS No. 19.

New Orleans, June 14th, 1851

1. The Volunteer Corps of the First Division, Louisiana Militia, will be prepared to celebrate with due military honors, the FOURTH OF JULY, the Anniversary of "Our Glorious Independence." For which purpose, they will assemble on their respective parades, fully equipped, at 6 o'clock, A. M.

2. The Artillery will be prepared to fire a National Salute at sunset on the eve of the day—and one at sunrise and noon of the 4th—on the Place d'Armes, Lafayette and Washington Squares.

Brig. Gen. D. Augustin, commanding the Louisiana Legion, and Brig. Gen. L. Tye, commanding the First Brigade, are charged with the execution of these orders, so far as the same may concern their respective commands, and will hold themselves ready and subject to further orders from Division Head Quarters.

3. It will cure all diseases of the scalp, such as scald head, dew worm, and other obnoxious disorders of the skin; in cheapness as well as efficacy, is unrivalled. It is sold in large bottles, price 25 cents, at No. 137, Broadway, and at the Druggists generally throughout the United States and Canada. je12 3m

IN QUART BOTTLES.

For Purifying the Blood, and for the Cure of Scrofula, Mercurial Diseases, Rheumatism, Cutaneous Eruptions, Ulcerations, Tetter, Salt Rheum, Dyspepsia, Heartburn, Sick Headache, Constipation, Fever Sores, Female Complaints, Erysipelas, Loss of Appetite, Pimples on the Face, Blotches, &c.
THIS preparation has now borne the test of over 15 years experience, where its first introduction to public favor, only a few bottles were sold, but hundreds have sprung into existence, founding their claims to the confidence of the community on the great reputation and extended use of which has been mainly attributable to the many wonderful cures effected by the use of Sands' Sarsaparilla. The Sarsaparilla Root forms an important part of its combination, it is, at the same time, compounded in such a manner as to retain all the virtues of the root in its purest state, which is the secret of its peculiar combination and scientific manipulation, thus rendering it the most reliable remedy in the cure of all the above mentioned diseases.
Prepared and sold, wholesale and retail, by
A. B. SANDS, Druggists and Chemists, 100 Fulton street, corner of Nassau, New York. Sold also by Druggists and Dealers in Medicines in all the States and Canadas. Price $1 per bottle, or 6 bottles for $5.
For sale by Soniat & Co., Hennessy, E. D. Huntington & Co., Mahon & Hall, J. E. Jobson, H. J. Turpin, Mobile; and P. H. McGraw, Natchez.

Prof. A. C Harry's Tricopherous, OR MEDICATED COMPOUND.

INCALCULABLE is the benefit, improving and beautifying the hair, removing the scurf dandruff, and all affections of the scalp, and curing eruptions of the skin, such as tetters, ringworm, and impetigenes, and relieving stings, cuts, bruises, spasms, &c. With this preparation there is no mistake. It is the first ever known to have had the medical men of the highest eminence, prominent citizens and professions, and ladies who have used it for years, to testify to its virtues, but the public admit with one accord, that for imparting vigor, health and a luxuriant growth to the hair, eradicating scurf and dandruff, healing wounds, curing cutaneous eruptions, &c. Consumption had decreased about forty per cent.
As this remedy when pure, in cases where it is required, is the most valuable ever discovered, so on the contrary, when impure it is not only valueless, but positively injurious, as it disorders the digestive organs, and deranges the whole system.
We are happy to say, many persons who had been using other oils, and failing to derive any benefit from them, were about giving up the use of it in disappointment, but being prevailed on to use the oil of our manufacture, in a short time experienced the most favorable results.
As all the tests yet discovered are inadequate to prove the purity of the Cod Liver Oil, in order to guarantee our customers a genuine article, we have been obliged to put it up with our signature over the cork of each bottle, and the oil put up by us and signed, we will warrant in every particular.
Prepared and sold, wholesale and retail, by RUSHTON, CLARK & CO., wholesale and retail druggists, and manufacturers of pure Medicinal Cod Liver Oil, 310 Broadway, 10 Astor House, and 273 Broadway Irving House, New York, and by all the principal Druggists in the United States and Canada.
For sale in New Orleans by N. JARVIS & CO., J. WRIGHT & CO., NICKLES & CO., RANDOLPH & POPE, and by the wholesale and retail Druggists generally.
CAUTION—See that our signature is over the cork of each bottle, as without it, it is not genuine.

J. FEYTEL,

MEDICAL.

PROFESSOR G. W. HOYT'S CELEBRATED COMPOUND FOR PURIFYING THE HAIR, eradicating dandruff, and curing diseases of the skin, tetter, and sores, stings, cuts, bruises, wounds, &c. &c. It is a well ascertained fact that Harry's Tricopherous has produced the same effect in curing diseases of the skin, &c., on the hands and all the animal kingdom. The following testimonials, selected from hundreds of similar import, will serve to show the value of the preparation, and the estimation in which it is held by those who have given it a trial:

New York, Sept. 28, 1850.

PROF. HARRY—Dear Sir:—I have been afflicted with a cutaneous eruption of the scalp, of a most aggravated character, for the last sixteen years, and during that period have had the advice of some of the most eminent physicians, and have tried all the preparations for the hair and skin now known, without the least benefit. I was advised by a friend to try your Tricopherous. I did so, as a last resort, and to my surprise and gratification, found myself cured in about two months. Such was the violence of the disorder that at times I was partially blind.
Respectfully yours,
G. W. M. RAPELYE.
140 Columbia street, Brooklyn.
New York, Oct. 23, 1850.

PROF. BARRY—My Dear Sir:—About two years ago my hair came out a great deal, and my head was much affected with dandruff. I was told by a friend to try your Tricopherous, and I did so, and to my astonishment my hair was firmly rooted, and all the dandruff disappeared, as the head now shows for itself.
With respect, I am your obt'servt.
J. S. TREDWELL, 663 Broadway.

If any lady or gentleman doubts the authenticity of the above, they will please call at Professor A. C. Barry's Office, No. 137 Broadway, New York, where he will produce the original letters.
[From the Military and Naval Argus, Nov. 9, 1850.]

There is no remedy for the permanent cure of baldness and diseases of the cranium generally, that has reached the popularity enjoyed by the article known as Professor Barry's Tricopherous, or Medicated Compound. It is extensively used by the upper classes of the community; in almost every nursery in the land, it is used in preference to other articles of the kind. It is a favorite of the ladies of fashion, and thus promotes its growth to a remarkable degree. It destroys the dandruff and scurf, and yields the hair fine and glossy. It will cure all diseases of the scalp, such as scald head, dew worm, and other obnoxious disorders of the skin; in cheapness as well as efficacy, is unrivalled. It is sold in large bottles, price 25 cents, at No. 137, Broadway, and at the Druggists generally throughout the United States and Canada. je12 3m

IN QUART BOTTLES.

For Purifying the Blood, and for the Cure of Scrofula, Mercurial Diseases, Rheumatism, Cutaneous Eruptions, Ulcerations, Tetter, Salt Rheum, Dyspepsia, Heartburn, Sick Headache, Constipation, Fever Sores, Female Complaints, Erysipelas, Loss of Appetite, Pimples on the Face, Blotches, &c.
THIS preparation has now borne the test of over 15 years experience, where its first introduction to public favor, only a few bottles were sold, but hundreds have sprung into existence, founding their claims to the confidence of the community on the great reputation and extended use of which has been mainly attributable to the many wonderful cures effected by the use of Sands' Sarsaparilla. The Sarsaparilla Root forms an important part of its combination, it is, at the same time, compounded in such a manner as to retain all the virtues of the root in its purest state, which is the secret of its peculiar combination and scientific manipulation, thus rendering it the most reliable remedy in the cure of all the above mentioned diseases.
Prepared and sold, wholesale and retail, by
A. B. SANDS, Druggists and Chemists, 100 Fulton street, corner of Nassau, New York. Sold also by Druggists and Dealers in Medicines in all the States and Canadas. Price $1 per bottle, or 6 bottles for $5.
For sale by Soniat & Co., Hennessy, E. D. Huntington & Co., Mahon & Hall, J. E. Jobson, H. J. Turpin, Mobile; and P. H. McGraw, Natchez.

Prof. A C Harry's Tricopherous, OR MEDICATED COMPOUND.

INCALCULABLE is the benefit, improving and beautifying the hair, removing the scurf dandruff, and all affections of the scalp, and curing eruptions of the skin, such as tetters, ringworm, and impetigenes, and relieving stings, cuts, bruises, spasms, &c. With this preparation there is no mistake. It is the first ever known to have had the medical men of the highest eminence, prominent citizens and professions, and ladies who have used it for years, to testify to its virtues, but the public admit with one accord, that for imparting vigor, health and a luxuriant growth to the hair, eradicating scurf and dandruff, healing wounds, curing cutaneous eruptions, &c. Consumption had decreased about forty per cent.
