Southern Mutual Life Insurance Company of Louisiana.

Life Insurance Exclusively.

EXTRA GUARANTEE FUND $50,000.
ACCUMULATIVE CAPITAL $500,000.

PARENT OFFICE, NO. 43 CAMP ST., *New Orleans.*

THIS COMPANY is now ready to make insurances on White Persons and Slaves, at their established rates of premium. This being the only company incorporated in the State confined exclusively to Life Insurance, with an extra Guarantee Fund, the Directors are confident that it affords unusual and much greater inducements to those desirous of effecting an insurance on their lives than any other.

It is also upon the Mutual principle, each person insured becoming a stockholder of the Company, and a portion of its profits being entirely exempt from any liability beyond the amount of premium accrued.

Insurance companies organized upon the mutual principle are generally successful, more especially those exclusively confined to Life, as they are based upon calculations ascertained correct by long experience and close scrutiny, but the stability and success of this Company is placed beyond a contingency, by the advantageous arrangement it has made for an undoubted guarantee fund of 50,000 dollars, not to be used or lessened, as subscriptions to mutual insurance comp. ies always are, by losses.

This extra guarantee fund of 50,000 dollars remains permanently until the Company has accumulated a similar amount in the same place.

☞ California permits granted, and extensive traveling privileges allowed.

And whereas it is further provided, that in the City of New Orleans, three Assessors of Taxes, in and for said City by the qualified voters thereof; and one Assessor of Taxes, in and for each Police Jury Ward of the Parish of Orleans on the right Bank of the Mississippi river, by the qualified voters thereof,

Now, therefore, I have thought proper to issue this my Proclamation, notifying the qualified voters throughout the State of the elections aforesaid, and commanding all Sheriffs, Commissioners of elections and other officers in the State concerned, to hold said elections for Auditor of Public Accounts, Representatives to Congress, Senators and Representatives to the General Assembly, Sheriffs, Coroners, Justices of the Peace and Constables, Superintendents of Public Education, Assessors and Tax Collectors in the parish of Orleans, on Monday the Third day of November, next, A. Seal. *Be it ordained by the Board of Police of the Parishes of New Orleans and Lafayette, That it shall not be lawful for any person or persons, or bodies corporate or through, lodge, or otherwise place upon any part of the public levee in front of either of the Municipalities of New Orleans, or the City of Lafayette, or between or under any wharf belonging to either of said Municipalities of City, or in the river in such a manner as in the same may easily float against any ship, boat, watercraft, wharf or shore opposite as aforesaid,—any contents of any privy or watercloset, or any sediment or other substance deleterious to health.

The inventor of the "Hygienic Elixir," has at length made this invaluable discovery. After several years of study and experiment, he has succeeded in concentrating in a single bottle all the curative properties of the sarsaparilla, the most valuable of all the vegetable productions of the earth, and the most powerful remedy for the purification of the blood, the cure of mercury, laziocicking drinks, evil habits in youth, and the destruction of the seeds of disease, lurking in the system. I have used it both in public and private practice, and think it the best article of Sarsaparilla in use.

[From the People's Journal, Quincy, Ill.]

BULL'S SARSAPARILLA.—We have used one bottle of this Sarsaparilla for several debility and impurity of the blood, and have always found the most favorable results. We used in time gone by two bottles of S. P Townsend's Sarsaparilla, for which we paid $5 00, and believe we received less benefit from it instead of the least benefit. We advised by a friend to try Dr. Townsend's Sarsaparilla. We did so, as a last resort, and to our surprise and gratification, found ourself cured in about two months. Such was the violence of the disorder that at times we partially blind.

PROF. BARRY—My Dear Sir:—About two years ago my hair came out in patches, and my head was much affected with dandruff. I was told by a friend to try your Tricopherous, and I did so, and to my astonishment, in a few weeks it produced a new growth of hair, and the dandruff, disappeared, as the head now shows for itself. With respect, I am your obt'l serv't,
A. T. STEWART, 283 Broadway.

Many lady or gentleman doubts the wonderfulness of the above, they will please call at Professor A. C. Barry's Office, No. 197 Broadway, New York, where he will produce the original letters.

[*From the Military and Naval Argus, Nov. 9, 1850.*]

There is no remedy for the permanent cure of bald ness and diseases of the cranium generally, that has reached the popularity enjoyed by the article known as Professor Barry's Tricopherous, or Medicated Compound. It is extensively used by the upper classes of the community; in almost every nursery in the land it is used in preference to other articles of the kind. It gives vigor to the roots of the hair, and promotes its growth to a remarkable degree. It destroys dandruff and scurf, and yields the hair fine and glossy. It will cure all diseases of the scalp, such as scald head, sore worms, and other obnoxious diseases of the kind. If the hair cannot be well so effected, it stands unrivalled. It is sold in large bottles, price 25 cents, at No. 197, Broadway, and at the Druggists generally throughout the United States and Canada.
