K. has sent to this legation a declaration that be and his associates, with the exception of Count Bathyani and his lady, will proceed to the United States in the steamship Mississippi, which reasel, as you are aware, has been designated for the purpose of removing them there by the President. Hearn that the Austrian Government is still protesting and will continue to proteen against their release; yet I believe the Sultan's government will continue to proteen against their release; yet. I believe the Sultan's government will act with firmness, and carry our His Mauesty's generous and humane intent. I consequently suppose that sate the Hon Scretary of State has directed M. Kossouh to be conveyed to New York, you may expect him there in the latter part of the month of Chetober, M. K., still entertaining the highert opinion of our country and of its Government, will land upon our shores a warm advocate of the insurtions which have tendered the United States too prosperous and so happy.
