Upwards of 2,000 Americans have re-

one change in the Cabinet before Congress meets.

I hear that Mr. Choate, and Mr. B. R. Curte, and Chief Justice Shaw, all of Buston, are spinken of for the wearing on the bench of the Supreme Court. The spinonium run must be made before the lef of October next, when the Circuit is to be left in that circuit. It is rather ungertainas yet whether the President and Cabinet, will attend the grand fere at Boston, to which they have been specially invited by a Committee. Having been so much about, and at a time when the Choa difficulties required rightance, they may not be willing to hazard ano ber journey.

The arony that the Covernment has letters and descriptions are properly in the control of the court of the co

The Bory that the Government has letters and documents, showing that the Cuban Government was engaged in a plot to entire. Lopez unto their power, by helding our promises of as sistance, is all hombug. But there is every reflacen to believe that Lopez and others engaged in the enterpose, had a surrances of support from Creole leaders and Spanish solders.

diers.

The prisoners, it seems, censures Gen, Lopez and Mr. Sigur, of New Oreans. But those terroons were doubtless themselves deceived, and as the best proof of it—the former hazarded and lest his life, and the latter Lismoney, in the corrections. enterprise. The President, be leving the prisoners to have been inveigled into the expedition by false representations, has intercosed in their behalf,—as I informed you by telegraph yesterday.

A Sectial Envoy to Europe.—The King-aton (Jamaica) Advertiser, alluding to the arri-val of an Envoy from Havana, says that among the pasengers in the Conson; is Gen. Salas iron Havans, charged with despatches for Cadrix, from Concha, the Captain General of Havans. He will visit London and Paris in the hope, it is aid, of inducing the two governments to aid, agreeably to the terms of their treaties, in "repelling the invaders."

Schuler Clemens, -- The Huntaville Advocate

Senster Clemens.—The Huntsville Advocate eays:

We have been permitted to make the following estract from a private letter of Gen. Causto Col. Clemens. It is strongly confirmatory of the other accounts of the great change going on at the north upon the subject of slavery, which we are constantly receiving: "And there are occurs with receiving at the north, and though fanticism will salk and write, still there just as the identification of the set of your interfering with your slaves and lands."

the robust of the claims for which were receivable on imports are pledged, within the robust of the Chird States, before the robust of the Robust of the particular than the robust of the police in general, in the confermed that the proceeding had been robust of the robust of the police in general, in the confermed that the proceeding had been robust of the robust of the police in general, in the confermed that the proceeding had been robust of the robust of the police in general, in the confermed that the proceeding had been robust of the robust

Johnson and Righer of Pomnsylvania.

The Charlestown (Vo) Free Press, in a condition of the first person of the state of t

of an Abolition meeting, held on the 22rd of special energy to the rest, augurs but poorly organization of the Wings, and for the control energy to the rest, augurs but poorly organization of the Wings, and for the control energy to the rest, augurs but poorly organization of the Wings, and for the control energy to the rest, and for the control energy to the rest, and the downtown Whigs, who have a shore slavery, and deprecate the into addition of the downtown Whigs, who have a street, but fair to a trades our teachers are the field earlier, work harder, and ten do better than they. Do the Wings of the field earlier, work harder, and ten do better than they. Do the Wings of the field earlier, work harder, and ten do better than they. Do the Wings of the field earlier, work harder, and ten do better than they. Do the Wings of the field earlier, work harder, and ten do better than they. Do the Wings of the field earlier, work harder, and ten do better than they. Do the Wings of the wings and they acquire the unenvisible results of 1817, to prevent keynaphong the whom was the llon. Wings and Democrates, smooth they acquire the unenvisible results of 1817, to prevent keynaphong the work of the law and they acquire the unenvisible results of 1817, the think it would be a diagrace to ke uccasion to rem indoor betteren of mand, ray in a high time they is out a remained of the leving and the dead to do anything for its like the control of the wings and the dead to do anything for its like the work has much increased Greenough's previous great reputation.

All this, asset the Free Press only preves that while fligher at bear that as alserey as much as Jahnston, he is obliged to repudiate his own failfully preserved. In the picture of the other proposition, which we love the proposition of the interest of the discussion of the discussion of the picture of the other proposition.

This and the grage securing different memory and the companion of the comp

wines very rarely find their way across the Atlannic.

Containing as hocks and clarets do, only shout eight or nine per cent of alcohol, they are far more wholesome than coffee; and the cheap production of such wines will do more to decrease the consumption of archer spuries than any other circumstance. Neither haw nor morals can be brought to hear upon the present age so as to force met to be entirely tem erace—but he introduction of wholesome, pure light wines, at a cheap rare will—as there is an abundant prode in the wine districts of Europe. It is for this reason, as well as because we look upon it so a source of national wealth that we regard the successful is born the sace when the buffering the wine culture, as worthy of the highest public grantude.

NEWBERN, Sept. 9th.

A LARGE BEAR KILLED—We saw in the

NEWBERN, Sept. 9th.

A LARGE BEAR KILLED—We saw in the prosession of Mr. A C. Eubank, on Friday last, the foot of a remarkable large bear which was killed near his farm in Jones county, on Monday night, the let instent. As Bruin was an enterprising among the same of the

A LARGE BYLA KILLED—We saw in the 1 them.
