LETTER TO THE UNION.—The Locofoco are just now boasting of their enemies here for the Union. They never discussed the condition of their health, until their friends and colleagues had been beaten out of sight, for advancing demands hostile to the South. The Locofoco are a set of scoundrels.

LETTER TO THE UNION.—Who were the determined opponents of the Compromises in Congress, voting against that measure as desperate? Mr. C. S. Hart, Mr. C. S. Hart, says Gen. Scott's whole command, except himself, voted for the Compromises. The fact is known, undeclared.

LETTER TO THE UNION.—Judge Blackstone, Sen. of Mass., Mr. Clay, Mr. C. S. Hart, in the House, and not the Locofoco, voted for the Compromises.
