7.00 ENCAN, FENTE ELES HADIOLES NEW ORLEANS, WEDNESDAY MORNING, FEBRUARY 16, 1863.

descrizione are demonstra respectful, to send half favour, if gonishe, in the course of the if Man John house at which is burge number

ergan secorded against any such estate of pro-party he is gasseral sent, sits person statisticating said proparty can only said, the preparty effected by the second second second second second second to the second second second second second second to the second seco

step aftent exercise to the newjudge of privi-liced creditors, and to vone the authority to effect sales of mortunged property, in those who are rightly notated to hit, and who are ne-cessarily most decay's interested in richtaining the highest possible value for such estates. The end proposed seems, to se extirely just and reasonable, and we can perceive no valid ob-jection to the man features of the bill designed to carry it into effect. Should may such exist, we treat that the Legislashers will perfect the datalit, without hesitating to abrogate the evil. The whole svetem of mortgages in Luniman has been lone regarded as a serious abuse, and if the Genoral Assembly would confer a seb stantial benefit on the people, and griently en

public documents and private property, to the amount of about \$900, which it provides shall be repaid him.

Other resolutions were dispused of, but the members from Pennsylvania moving those aftering other States, a point of order was resided, which led to some discussion. The Speaker called that the State of Pennsylvania having the right to move resolutions, it was in order to receive threa.

A bill was then moved to be taken from the table granting a pensons to a woman who lost a son during the war with March 1910 and the table, pending which a motion was made to adjourn, which was carried—year 27, hays 19—and the House adjourned accordingly.

same position the vivices of the shapes see-phine.
"I come, then, Messiers, to say to France, that I have preferred a woman whom. I here and respect to any unknown lady whose affi-ance would have brought advantages minered with sacrifices. Without disclaining shy one I yield to my feelings, but after having consulted my reason and my convictions. Is short, in placing independence, the qualities of the heart, and family happiness above dynastic prejudicts and the calculations of multion, I shall not be fear strong, because I am more

shall not be fess strong, because I am more free.

"Ese long, proceeding to flotre Dame, I shall present the Empresa to the people and to the army; the conditions they have in me assures are of their sympathy towards lev I have shosen, and you, gendlemen, in learning to know her hotter, will be convinced in this also, I have been directed by Providence." This address was received with cries of Vice I Emprese, and soon afterwards the assembly beaute up apperently pleased with he asmonacement. Copies of the speech were inmediately read at the Hourse, and placarded on the walls of the city. Jerome Bonsparte and son proceeded streightway in the residence of Mille. Mostligo, to congruents her on her good fortune.

Onc.

The name of the Empress is Eugenic, and her marriage will be celebrated in the Church of Notre Dame on Sunday next, 31st January.

FALL.—The correspondence of the London Globs gives expressey to a runner, 15th the Pope is dangerously ill, from as attack of spoplexy. The statement register confirmation.

'as but one sup a constant of the sacagers.

The great extra colonial intercoorse at presult is between this and Victoria, and as in access proportion of the passengers departing under an onitie year has been to the good fields of that colony. The excess of arrivals by sea over the departures by sea for the year easing LIAN EXCIPINED AT THE CAPE OF

sequence. Flowr and brandy are now resported at an advance of fally 10 per cent, on previous rates. No less than 2500 tons of merchanding will be shipped from Cape Tdwn for the Asstralian Colosies in the course of the present month.

From the Mustrities, by the Port Louis Prices Current, we learn that since the Asstrablean toached there, six wearels have been laid on for Australia at £ 3.15s. per ton. Port Louis is shortly to be lighted with gas, by a British Company.
