DR. VALENTINE MOTT,

The widely celebrated Professor of Surgery in the Medical College, New York City, says:

"It gives me pleasure to certify the value and efficacy of AYER'S CHERRY PECTORAL, which I consider peculiarly adapted to cure diseases of the Throat and Lungs."

Cures of severe diseases upon the Lungs have been effected by CHERRY PECTORAL, which fully warrant the belief that a remedy has at length been found that can be depended upon for the cure of Coughs, Colds and Consumption, which carry from our midst thousands who fall victims to diseases of the Throat and Lungs, with no timely warning, or relief, and they should not fail to avail themselves of it.

Prepared by J. C. AYER, Chemist, Lowell, Mass.

Sold by WRIGHT & CO., Agents, and E. MACHERBEAU, St. Louis.

STABLER'S
ANODYNE CHERRY EXPECTORANT

IS confidently recommended to invalids, as unsurpassed by any other remedy which has the cure of COUGHS, HOARSENESS, and other forms of Consumption, CROUP, ASTHMA, and CONSUMPTION, in its early stage, and for the RELIEF of the Patient even in Advanced Stages of that Fatal Disease.

Its combination is scientific and rational, possessing long ascertained value, with others of more recent discovery, all of which are presented in a state of concentration, not through the skin freely, and with great efficacy, for the cure of this class of diseases.

STABLER'S
DIARRHŒA CORDIAL

is a pleasant mixture, compounded in agreement with the rules of Pharmacy, of the opposite agents, long known and celebrated for their peculiar efficacy in Cramp DIARRHŒA, and other forms of DISORDERED ACTION in an Early Stage, and for the RELIEF of the Patient even in Advanced Stages of that Fatal Disease. Its combination is scientific and rational, possessing long ascertained value, with others of more recent discovery, all of which are presented in a state of concentration, not through the skin freely, and with great efficacy, for the cure of this class of diseases.

STABLER'S
DIARRHŒA CORDIAL

is a pleasant mixture, compounded in agreement with the rules of Pharmacy, of the opposite agents, long known and celebrated for their peculiar efficacy in Cramp DIARRHŒA, and other forms of DISORDERED ACTION in an Early Stage, and for the RELIEF of the Patient even in Advanced Stages of that Fatal Disease. Its combination is scientific and rational, possessing long ascertained value, with others of more recent discovery, all of which are presented in a state of concentration, not through the skin freely, and with great efficacy, for the cure of this class of diseases.

The valuable Medicines above named have recently been introduced, with the approval of a number of the Medical Profession, in Salem and Keesville, this State, where, and in practice have succeeded most admirably in curing the diseases for which they are prescribed.—They are offered to the Country Practitioner, as medicines which can be confidently depended upon, as prepared in agreement with the experience of some of the most distinguished Medical Men, and strictly in conformity with the rules of Pharmacy, and as especially worthy the confidence of Physicians, which can readily be the City Physician have his own prescription compounded by a practical Pharmaceutist.

See the descriptive pamphlets, to be had gratis of all who have the Medicines for sale, containing recommendations from Rev. Jeremiah Jeroloman, Salem; Rev. Payne Hamlin, Lowe, &c.

Dose 2 H Marion, and I do not hesitate to recommend your Diarrhœa Cordial and Anodyne Cherry Expectorant, &c.

Dear John Addison says, "Stables me much pleasure to add my testimony to that of others, in favor of the Anodyne Cherry Expectorant, and Diarrhœa Cordial and of the Expectorant, "I have no hesitation in recommending it as a most valuable medicine," &c.

Dear R. A. Payne says he has used the Diarrhœa Cordial in his family with perfect success, and would consider it one of the most convenient and efficient compositions ever offered to the public.

Dear L. D. Hoody writes, "I have administered your Anodyne Expectorant, in several cases of Bronchial affections, with the most happy effect, and from a knowledge of its admirable effects, I can with the greatest confidence recommend it."

Dear W. S. Low writes to me that he has administered the Specifics to his wife, who he has had the Bronchitis for fourteen years and that she is fast recovering from her long and painful malady. It has in a few weeks done her more good than all the remedies she has heretofore used with the medical assistance.

Sketches of the lives of Physicians and Pharmaceutists in the city of Baltimore, who have sanctioned the preparation known as Stabler's Anodyne Cherry Expectorant and Stabler's Diarrhœa Cordial are mediatous of great value and merit, and of the value of these and cure of the diseases for which they are recommended; they bear ample evidence of skill, science in their preparation, and style of putting up, and we take pleasure in recommending them.

TWENTY-SEVEN of the most respectable Merchants residents of Maryland, who have used these medicines, have voted and also used these medicines themselves, say, we confidently recommend them to our customers, we confidently recommend them to the Public.

We have never known any remedies used for the diseases for which the prescription is to be effected, and to give such entire satisfaction to all.

The above notices of recommendation from members of the Medical Faculty, Pharmaceutists of high standing, and Merchants of the first respectability, should be sufficient to satisfy all, that these medicines are worthy of trial by the afflicted, that they are of a character, and stamp and class from the "Quackery" and "Cure All" which flood the country from public.

For sale by Druggists, Apothecaries and Country Store-keepers generally.

Hoofland's Bitter Cordial and BLOOD PURIFIER—PRICE ONE DOLLAR PER BOTTLE.

THIS invaluable preparation has obtained a popularity unprecedented in the history of Medicine. Thousands have brought before the public their testimonials of the wonderful benefits they have received by its use, and its efficacy in removing disease RE-ESTABLISHING HEALTH, and RESTORING THE NERVOUS SYSTEM, now herald it to the world as possessing the most superior virtues in the Materia Medica.

It is one of the first standing in the medical profession, and we presume it is at once a effective ALTERATIVE AND BLOOD PURIFIER, that hardly a family in the United States can be found but what has suffered from disease or constitutional weakness, and a trial of Hoofland's Bitter Cordial and Blood Purifier, will convince the most skeptical of its virtues.

Those who have used Mercurial or Antimonial preparations, and have been reduced to a mere wreck of their former selves, will find in Hoofland's Bitter Cordial and Blood Purifier, a remedy that will restore them to health, and that without the fear of a return of the disease, as is the case with Mercury, Antimony, &c., which only shatter the constitution, and when the medicine ceases to act, the disease returns with redoubled violence.

Those who have used Hoofland's Bitter Cordial and Blood Purifier
