as almost to justify the conclusion that it procoeds from a modification in the virulence of the
disease, rather than an absence of subjects. So
often has the press been bitterly disapposited
in expressing a confident belief in the speedy
disappostance of the spidemic, that erws nowwrite the statistics before us, attenting a falling
off off cifes than one handred from the greatest daily mortality of the season, we scarcely
dire to do more than breaths a bope that we
shall, in a few weeks. Be fully rid of the pestilence. Even at the allow ratio of docrease exhibited by our reports, theirly days more would
as Bec to restore New Orleans once more to
perfect behilt. So mote to be.

The humano and generous spirit which he
section of the railroad will be trained with the completed
town in the republic, stiff continues to prevail,
and its freits reach to aduly in the form of highly
seasonable and monificance contribution for the
besenft of the indigent sick. Since our less
than the dispersal contribution for the
besenft of the indigent sick. Since our less
than the substance of the spiritual state of the railroad will be required.

By way of Panams we have received advices
from Chili, Pern and Boltrief. The filter ways
weakly seconated the next successors and its meaning with the series of the graphs on the
substances of the spiritual state of the substances of the substances of the substances of an a believe of the substances of an all the spiritual state of the substances of an all the substances are substances. The
