THE DAILY BEE. Thursday Morning April 13, 1884

THE PARTITION OF TURKEY. Bussian Policy.

ove that the Czar Nicholas aims at nothing

This language elicited a guarded reply.

ther conversation the Czar declar

In the event of the dissolution of the Otto-ian Entire, it might be less difficult to arrive

man E-more, at might be less difficult to array at a softwing sterilorula dramagnessy that a statistic sterilorula dramagnessy that sterilorula dramagnessy that

say he same thing of Caudia. That island is mark rain by we said to boulk now well is should not become in English passession."

Another commonistation from Sir G. H. Extructs encloses a considential memorandem by the Case, in which be coolly proposed that England, instead of uniting herself with France axions the past demands of Russis, should ayord supporting or even appearing to support the resistance of the Ottomon Government—buth particles to agree to take no measures in the event of the fall of the Tarkish Empires without a previous understanding. The reply of the Earl of Casexisons was to the effect that the British Government be elements of existence, and that nothing could more fully hasten such an event at the downfall of Tark; where the confliction that it was near feet as the confliction that it was near key, as the confliction prediction that it was near key, as the confliction prediction that it was near key, as the confliction prediction that it was near feet as the confliction prediction that it was near feet as the confliction prediction that it was near feet as the confliction that it was near feet as the con

ERBOR CORRECTED. In our notice yesterday of the extraordinary receedings of the Board of Aldermen, we ex proceedings of the Boam of Assumers, we or pressed the opinion that the members whose seats are sought to be vacated, are in conse-quence divested of their functions for the time

the act of incorporation of the city satisfies us of our error. We subjoin that portion of the act by which our readers will be pleased to rating of the december shall have been tested of one of the Alderman or any other public officers of the city of New Orleans, shall be samuled or set saids for any cause whatever, the incumbest of the office shall nevertheless continue to faith its duties, until a successor shall have been duly elected or appointed, and qualified as required by law."

This is conclusive.

I TALIAN OFERA.—The lovers of music, and their name is legion, will regret with usto learn that to-sight is positively the last appearance of the Italian Opera Company at the St. Charles, as they are under engagements which require their immediate departure. The piece selected for their farewell representation in Bellini's Opera of Norma, in which Mone. Devates is particularly fine. Signore Proof will sing, by request, the celebrated drinking song of Lucre its Borgia. And a choice of State edited to the control of the control

ORLEANS THEATRE Meyerboer's opera of

bowed his thanks to the assemblage, in a digin-ided and graceful manner.

Daring the proceedings, the Bands played several appropriate airs.

The procession having retired from the The-ties, was re-formed, and marched through sev-eral other atreets, after which the different com-panies returned to their respective houses, and were dismissed.

LOUISIANA ITEMS

The Ouachita Regutare of the 4th, says:
There was quite a bail storm in this vicinity on Friday evening least, doing considerable sample to vegetation. At some places, we leare, the hail upon the ground was two suches deep the next morning.
