# MEDICAL.

**SAND'S SARSAPARILLA**
**IN QUART BOTTLES.**
For Purifying the Blood and for the Cure of
*Scrofula, Rheumatism, Stubborn Ulcers, Dyspepsia, Salt Rheum, Fever Sores, Erysipelas, Pimples, Boils, Mercurial Diseases, Colds, Coughs, Pains in the Limbs, Confirmed Bronchitis, Consumption, Female Complaints, Loss of Appetite, General Debility, &c.*

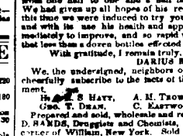
In this preparation all the restorative properties of the root are concentrated in their utmost strength and efficacy; but while Sarsaparilla is the most important part of its combination, it is at the same time, compounded with other vegetable remedies of great power, which is in the peculiar combination a Real and scientific manner of its preparation, that its remarkable success in the cure of disease depends. It acts simultaneously upon the stomach, the circulation and the bowels; and thus three processes, which are ordinarily the result of three different kinds of medicine, are carried on at the same time, through the instrumentality of *this one remedial* agent which gently stimulates the stomach, liver and bowels into the healthy action of a general tonic, but almost invariably cures the maladies for which it is employed.

As invigorants have been understood better known, the medicine has gradually become the best reliance of the afflicted, from the location of the American Continent, to the shores of old England. Throughout this entire country, in every State, city, and almost every hamlet it continues. SAND'S SARSAPARILLA is the best remedy known for the cure of Liver Complaint and Lungs, and in many foreign countries, it is coming to be regarded as the best remedy known to Great Physicians. In Great Britain, France and Germany where the municipal sciences have reached their highest perfection, SAND'S SARSAPARILLA is introduced, and in constant use in the Armies, Hospitals, Alms Houses, Public Institutions, and in the private practice of the first physicians, while attending Physicians are supplied by the more dangerous affiliations of Mercury and Iodine, which are so fatal to children it is safe, pleasant and effectual to cure, in fact, some of the most fighting testimonials we have ever had in favor of any medicine, have been found its efficacious in cases particularly incidental to childhood.

The CHERRY PECTORAL is manufactured by a practical Chemist, and every ounce of it under his own supervision, with the greatest nicety, and is sealed and protected by law from counterfeits, consequently can be relied on as genuine without adulteration.

Worth a should commend itself to the confidence of the afflicted, and the well known character of which this has by repeated and countless trials proved itself to be; and trust by great care in preparing it with the greatest accuracy, and strength to afford Physicians a new secret on which they can rely for the best results in all cases requiring such a remedy that will do for them all that medicine can do.

Prepared and sold by JAMES C. AYER.
Practical and Analytical Chemist,
Lowell, Mass.
Sold by J. M. WRIGHT & CO., New Orleans, And by all Druggists. 2d-2mglw &c.



**GOOD MEDICINES.**
**STABLER'S**
**ANODYNE CHERRY EXPECTORANT**
OR CO. UGHS, COLDS, BRON. HITIS, CROUP, &c
**STABLER'S**
**DIARRHŒTIC MIXTURE**

THE valuable medicines above named, are not empirical, but are prepared in agreement with the experience of many other eminent Physicians and Practitioners, and are not secret, further than is necessary to protect the proprietor and those who may have the confidence of purchasers, as the component parts have been long known, confidently relied upon from time to time, to perhaps

**TESTIMONIALS.**

In Maryland, Virginia, District of Columbia, Ohio, and other places, all of whom, without a single exception, have spoken of them in the highest terms of praise, acknowledge that they are the best remedies that they have ever known, and that they will recommend, and do they are recommended. Our confidence in the excellence of these medicines, added to our desire to avoid the last prejudice of those who entertain a secret fear and quack nostrums, induced us to adopt this method of publishing to the world the testimonials we have received from Physicians, viz:

*From Dr. William H. Farrow of Snow Hill, Md.*

Gentlemen—I have frequently in my practice prescribed your "Stabler's Anodyne Cherry Expectorant" and "Diarrhœa Cordial," with great satisfaction to myself, and to the entire relief of such diseases as they were intended to remove. I have used combinations of some of our most valuable and safe therapeutical agents, and must be a valuable addition to the list of the medicinal at large. In furnishing the medical profession with these active and unobjectionable remedies, no convenient for administration, and of a standard quality, you have done essential service to humanity, and I can do no other than earnestly recommend these preparations to practitioners, and especially in the country, where the impurity of commercial Drugs is one of the greatest obstacles to the success of the Physician.

Dec. 9. S. Love writes to us that he has administered the Expectorant to his wife, who has had the Bronchitis for fourteen years, and that she is fast recovering from her long-standing malady. It has in a few weeks done her more good than all the remedies she has heretofore used and her present dical counsle.

*From Dr. P. Partridge, Hazard, Md.*

After several months of your Expectorant, both in my own family and in general practice, I am confirmed in the opinion that it is the best for full value and scientific manner of its preparation that I have ever used. I have also used your Diarrhœa Cordial, and find it to be a fine and

*From Dr. J. Rodgers Andre, of Kingston, Talbot Co., Md.*

"Having examined the component parts of Stabler's Anodyne Cherry Expectorant, also of 'Stabler's Diarrhœa Cordial,' and having used them in practice, I have no hesitancy in recommending them."

*From J. E. Marsh, M. D., Centreville, Co., Md.*

"I have made free use of your Diarrhœa Cordial in my family for the past two years, and have much pleasure in testimony to that of others, in favor of its efficiency."

*From Samuel Martindale, M. D., Chesapeake City, Md.*

"I have much pleasure in adding my testimony in favor of your valuable Diarrhœa Cordial. I have, after an extensive use, found it to answer all my expectations.

*From Dr. Daniel W. Jones, Somerset Co., Md.*

"I have given your Expectorant and Diarrhœa Cordial a fair trial, and am delighted with their effects, never having had them to fail in a single instance. I shall take pleasure in recommending them."

We have been favored with a written certificate, cheerfully given by numerous Medical gentlemen of Maryland, Virginia and Ohio, which we should convince the most doubting, that these are really "Good Medicines" after stating that they are scientific with the composition of both the Expectorant and Cordial, and that they have administered them in their practice, they testify "that they are remedies to SUBSTANCE, SAFE EFFICIENT and CERTAIN in the hands of the Profession and the Public, that they are MORE RELIABLE THAN ANY OTHER proprietary medicines with which we are acquainted." &c.

For sale by Druggists, Apothecaries and Country Store-keepers generally, at the low prices of Fifty cents per bottle, or six bottles for $2 50.
