STEPHEN SKEETON.—The same heads this article, not fail-
ing to note that he is a distinguished soldier
of that nation who has received a distinguished
service in the country. We are not cognizant
of his service at the time of his death, which
occurred during the period when he first entered
the political stage. STEPHEN SKEETON must
have been a very popular man, and his
political career, which lasted for forty years, and
terminated his connection with it, could witness a
short time of his death.

The war was not prominently before the public by the publication of a series of pa-
pers in a journal at Philadelphia over the signs
of Moore, in which he advanced a series of
views on the subject of the constitutionality and
expediency of the United States Bank, and espoused
the cause of the public money of the country.
He was a member of the House of Representatives
during the period of his cashiering of that
bank, but did not scruple to do
what he deemed right, and was exonerated
at the accuracy and extent of his knowledge.

These publications, which were
marked by a decided bias in favor of the
war, were of great service. The author of
the article, who was very properly apalled
from his situation, and became cashier of the
Bank of Ireland. The date of these transactions
was 1844.

Prior to this, however, SKEETON had enjoyed
some celebrity, and was a member of the
House of Commons, and was instrumental in
bringing about the adoption of the
Bank of Ireland into existence.

He became the editor of the "Columbian Observer," and was
marked by a decided bias in favor of the
war, and was of great service. The author of
the article, who was very properly apalled
from his situation, and became cashier of the
Bank of Ireland. The date of these transactions
was 1844.

He died in 1854, and was buried in the
cemetery of the American Church, on the
