A NEW RUMOR. We had imagined that the delusive idea, erroading Spain to part with Caba for a sti ated sum had been well nigh exploded, and hat only in the teening fancy of Mr. Suwers, of the merchanstible credulity of the Washingto Amer. did the impression of its feasibility in

terated for the last six months. Every body that boped for the success of the negotiation in fulged to the same loose and inconclusive reasoning. Yet we are not a jot nearer the

blooded antitions for Cuba, which was according to thought y rejected. We have provided in the supposed that her Coverament we'll prive more trantible one? Expanded and the supposed that her Coverament we'll prive more trantible one? Expanded and the supposed that her Coverament we'll prive more trantible one? Expanded as any other shall be provided as any other shall b the natices, which the Herad has no doubt selected as leading color for its views. It is furnished has not have been selected as leading color for its views. It is furnished has not leave the subject of Cab without the selected the selected as leading color for its views. It is furnished has been been for the present it is confised to the partial public to the risk of people who ordinarily have public to the risk of people who ordinarily have previous totaligence of State secrets twenty-foor house and the previous totaligence of State secrets twenty-foor house and the previous totaligence of State secrets twenty-foor house and the previous totaligence of State secrets twenty-foor house to dispense. The United States has readed it its seast another the State whiler it threat section it, it sees another nose is a lower key; it seeks to seduce, and the prevent moment of the previous to prevent a seast on the state whiler it threat the remain the state whiler it threat the prevent of t
