so control of the con

A GLIMPER OF EXASON.

In are rejoiced to perceive the evidences of redeeming grace in the Whig journals of York. They begin to squirm at the idea attaining a ticket compused of shameless re who have not scrapled to "crook the authorities" before the high a to abolition. The Gounce and Enquiry is sorted under the coalition. It declares he Seratoga Couvention endorsed by the dates, takes very different grounds on ry from those of the Whig Couvention, and making the distinction, observes ere certainly is a broad interval. And yet man of the Whig ticket at the invitation V. Bryant and John Jay, Coupnities, illing to leap it. The Givernor leaps it is follest extent. The Causi Commissions are, but it was promptly and effective transfer in follest extent. The Causi Commissions to the Whig ticket at the invitation of the Whig ticket at the invitation. The new tiovernment seems disposed on the glavor of the Whighties of the Causi Commissions are good to the Causi Counsissions to the Causi Counsissions to the Causi Counsissions and the State Prison Inspector course upon the State Quality the Licentess testing the Causi Counsissions and the State Prison Inspector course upon the State Quality to the Causi Counsissions and the State Prison Inspector course upon the State Quality to the Causi Counsissions and the State Prison Inspector course upon the State Quality to the Causi Counsissions and the State Prison Inspector course upon the State Quality to the Causi Counsissions and the State Prison Inspector course upon the State Quality the Causi Caus
