MEDICAL.

THE GREAT SURE FOR
Liver Complaint and Dyspepsia,
Chills and Fever, Jaundice, Sick Headache,
Impurities of the Blood, and all Diseases
FROM DISORDERED LIVERS, STOMACH
AND BOWELS.

This is a great assistant to Digestion, and a perfect substitute for Mercury in Liver Complaint, and for Purgative Pills in Costiveness. It also cures Chills and Fever, especially where Quinine has been used and failed.

It is a fine Stimulant and Tonic for torpid and debilitated constitutions.

Though prepared in the tasty, mild and harmless form of an Elixir, its power is equal to the most potent drug.

Have you Dyspepsia?

Then read the enclosed postscript of a letter from a highly respectable clergyman of New Madrid, Mo.:

"P. S. You wish to know the an cause of your Hypocrisy. Mr. Peaty Phillips informs me that he had a long talk with the said Hypocrisy, and he confessed that he used Dodd's Hydropepsine only about one month, and got entirely well in a short time. He says he has recommended it to many others, and it has done them much good. Hypocrisy, I learn, intends to leave the country."

Further Testimony of the Bloodiest Effects of Dr. Dodd's Hydropepsine.

DR. A. R. GROSSCUP—My wife was afflicted with Bowels for a long time, and had been recommended by all the best physicians in the country; but without any good effect. She had been unable to walk for more than a year, and part of the time was totally helpless, when I procured some of your Hydropepsine. She is now entirely restored to health and can walk about as well as ever. I have recommended it to many others who think themselves beyond the reach of medicine, but it does not even these despair. The Bitter deals with disease as it exists, without regard to name or age, and will not only remove the disorder itself, but

RESTORE THE SHATTERED CONSTITUTION.

The damaged and the diseased, the healthy and the sick, the disease, and the forms of nervous disease itself, are so numerous, that it is impossible to enumerate or even to mention the maladies for which this preparation is a specific. A few, however, may be enumerated, viz.: Dyspepsia, Nervousness, Sleeplessness, Costiveness, Diarrhœa, Dysentery, Jaundice, Dropsy, general prostration, hysterics, palpitation of the heart, pain in the region of the stomach, sick headache, general debility, tremors, faintness, dizziness, sudden flushes of heat, cold chills, shuddering sensations, dimness of vision, dots before the eyes, nervous affections, low spirits, blotches, pimples on the face, blotches, eruptions, and all complaints arising from a disordered state of the stomach, bowels, blood or nervous system.

Wherever the organs to be acted upon are free from malformation or structural disease, it is reserved that

HORSE'S INVIGORATING ELIXIR

will restore weakness with strength, incapacity with efficiency, irregularity with uniformity and natural activity, and in the most speedy manner and in the most natural way. Nothing stimulates the general organization, and with a long stand on the general organization. Bear in mind that all maladies, wherever they begin, finish with the nervous system, and that the prostration of the nervous system is always followed by death. Bear in mind, also, that for every kind of nervous disease the Elixir Cordial is the only reliable preparation known.

CURE OF NERVOUS DISEASES.

No language can convey an adequate idea of the immediate and almost miraculous change which it occasions in the diseased, debilitated and shattered nervous system. Instead of broken sleep, a sweet, long, sound sleep, refreshing to the body, mind and nerves, will be the result. Instead of a disposition to start, and be nervous, with trembling over all double. Immobility is overthrown by it of testimony which is perfectly irresistible.

The Elixir Cordial, in all cases, the deplorable evils arising from a misuse or abuse of the various organs, will not make a miserable, machine-called man. It restores to full vigor every debilitated and enervated wish that superstition has compound agency of unnatural mind, necessary to the proper exercise of human life. To persons of feeble mental frame, or debilitated in vital power, this preparation is the only means of restoration, and the energy which is necessary to the proper exercise of the mental faculties, as well as the highest vigor and health. Its sustained operation is to give the body and mind in a word to say say. The feeble get the ailing wits, debilitated, nervous, irritable, and the most gifted of weakness, the victim of nervous derangement, the individual suffering from general debility, or from the weakness of a disabled organ, will find in the Elixir Cordial a restorative of health and vigor, and not in a single instance has it failed to accomplish it.

PERSONS OF PALE COMPLEXION.

All of incomplete health, are restored by the use of a bottle or two in such cases. It gives to the pale face a fresh, yellow, sickly color, to a beautiful florid complexion.

TO THE MISGUIDED.

There are some of the sad and melancholy effects produced by early habits of youth, viz.: weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, derangement of the digestive functions, general debility, symptoms of consumption, &c.

HOW SINGULAR!

Manifold, but the effects on the mind are much to be dreaded. Loss of memory, confusion of ideas, depression of spirits, evil forebodings, aversion to society, self-distrust, love of solitude, timidity, &c., are some of the evils produced. All these afflicted

BEFORE CONTEMPLATING MARRIAGE

should reflect that a sound mind and body are the most necessary requisite to promote connubial happiness. Indeed, without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens the view, the mind becomes shadowed with despair, and the fatal resolve to commit suicide, rather than encounter the many ills attendant on a married life, often follows. How sad the reflection that the happiness of another becomes blighted with your own.

Holloway's Pills for the Cure of Liver Complaints, and Indigestion.—Mr. Gamis, chemist of Perth, writes in a letter to Professor Holloway, that a lady residing in that town has been a sufferer from liver complaint and indigestion for a very long period, and no aching or relief was found, although she took every medicine that was recommended to her. At length she was induced to try Holloway's Pills, and after using them for three months, but not being satisfied with this medicine, she continued using Holloway's Pills, and this excellent medicine was the means of saving her life; in about a month they restored her to perfect health and strength.
