MEDICAL.

DR. GEORGEBAR'S HYDROPATHAN, THE GREAT CURE FOR

Liver Complaint, Bilious Disorder, Chills and Fever, Constipation, Loss of Appetite,

AND ALL DISEASES OF THE

STOMACH, LIVER AND BOWELS.

Also, Scrofula and all Impurities of the Blood.

THIS is a grand sentenant of Digestion, and a perfect substitute for Mercury in Liver Complaint, and for Purgative Pills in Costiveness. It also cures Chills and Fever, especially where Quinine has been used and failed.

It is a fine Stimulant and Tonic for torpid and debilitated constitutions.

Though pleasant to the taste, mild and harmless in its action, its power is equal to the most potent drug.

Have you Scrofula?

Then read the annexed postscript of a letter from a highly respectable lady of New Haven, Mo.:

P. S. Yes wish to know the ex cause of your Hydropiper. Mr. Frenly Phillips informs me that he had a negro who was literally covered with sores, and states that he used Georgebean's Hydropiper and placed the negro on light diet, and in six weeks he was sound and well. Yours respectfully,

F. W. ARMSTRONG.

Further Testimony of the Remedial Effects of Dr. Georgebean's Hydropiper.

DR. A. E. GEORGEBAR—My wife was afflicted with Scrofula for a long time, and had been attended by all the best physicians in the country; but without any good effect. She had been unable to walk for more than a year, and part of the time was totally helpless, when I purchased some of your Hydropiper. She is now entirely restored to health and can walk about as well as ever.

I have been induced to communicate the above facts purely out of a desire that others might know of its excellent qualities and profit thereby.

With respect, I am yours, truly,

P. G. GAMBLE.

CHERRY PECTORAL,

For the rapid Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, and CONSUMPTION.

OF all the numerous medicines extant, (and some of them valuable) for the relief of pulmonary complaints, nothing has ever been found which could compare in its effects with the Cherry Pectoral. Its power to cure, but at all times and in all diseases of the lungs and throat where medicine can give relief, this we'll do it. It is prepared with the utmost skill and accuracy, and is offered to the afflicted in confidence that it will relieve and cure them, from the dangerous consequences of Coughs and Colds which neglected often lead to consumption.

The Diploma at the Massachusetts Institute was awarded to this preparation by the Board of Judges in September, 1847; also, the Medals of the three first Institutes of the United States; the Diplomas of the Ohio Institute at Cincinnati, has been given to the Cherry Pectoral, by their Government in consideration of its extraordinary excellence and usefulness in curing affections of the Lungs and Throat.

Read the following opinion:

WASHINGTON, Pa., April 19, 1848.

Dr. J. C. Ayer

Dear Sir: Feeling that I have been spared from a premature grave, through your instrumentality by the providence of God, I will take the liberty to express to you my gratitude.

A Cough and the alarming symptoms of Consumption had fastened me fast in its grasp, and nothing like hope, when my physician brought me a bottle of your Cherry Pectoral. It seemed to afford immediate relief, and now in a few weeks I have restored me to sound health. If it will do for others what it has done for me, you are certainly one of the benefactors of mankind.

Sincerely wishing you every blessing, I am

Your friend and obedient servant,

JOHN J. CLARKE.

Holloway's Pills for the Cure of Liver Complaints, and Indigestion—Mr. Gamin, chemist Yeovil, states, in a letter to Professor Holloway, that a lady residing in that town had been a severe sufferer from liver complaint and indigestion for a very long period, that her medical attendant had informed her he could do nothing to relieve her, and that she could not survive many months; but not being satisfied with this opinion she commenced taking Holloway's Pills, and this excellent medicine was the means of saving her life; in about which time she restored her to perfect health and a vigorous

DR. MORSE'S INVIGORATING CORDIAL,

A REMEDY IN REQUISITE

Health Restored by Safe Administration

Dr. Morse's Invigorating Elixir or Cordial is not to be confounded with the numerous quack nostrums of the day, which are generally found to be worthless and dangerous compounds, to which the talented formation of woman render her liable.

EVERY WOMAN OF SENSE

who suffers from whatever cause, with nervousness, tremors, pains in the back, or any other disorder of the system, which is the result of weakness in both sexes, to give the Invigorating Cordial a trial.

MARRIED PERSONS

or others, will find this Cordial, after they have used a bottle or two, a thorough renovator of the system. In all directions are to be found the happy persons in healthy offspring, which is the result of a perfect but for this extraordinary preparation. And it's equally potent for the many diseases for which it is recommended. Thousands of young men have been restored by using it, and not in a single instance has it failed to benefit those.

PERSONS OF PALE COMPLEXION.

of consumptive habits, are restored by the use of a bottle or two to blood and color; changing the skin from a pale, yellow, sickly color, to a healthful florid complexion.

TO THE MISGUIDED.

Those are some of the sad and melancholy effects produced by early habits of youth, viz: weakness of the back and limbs, pains in the head, dimness of sight, loss of muscular power, palpitation of the heart, dyspepsia, nervous irritability, derangement of the digestive functions, general debility, symptoms of consumption, &c.

Mentally, the baneful effects on the mind are much to be dreaded. Loss of memory, confusion of ideas depression of spirits, evil forebodings, aversion to society, self-distrust, love of solitude, timidity, &c are some of the evils produced. All these afflicted

BEFORE CONTEMPLATING MARRIAGE

should reflect that a sound mind and body are the most necessary requisite to promote connubial happiness; indeed, without these the journey through life becomes a weary pilgrimage; the prospect hourly darkens the view; the mind becomes shadowed with despair, and filled with melancholy reflection that the happiness of another becomes blighted with your own.

CAUTION

Dr. Morse's Invigorating Cordial has been counterfeited by some unprincipled persons.
