Comgressional.

Wassinorous, Dec. 30.—In the Sensies to day the bill introduced at the last session of Congress relative to the asternlashation of the children of American District to the asternlashation of the children of American District to the asternlashation of the children of American District to the casternlashation of the army. The smeadment placing the widows of officers and sailors in the saws pooling as the of officers and sailors in the same fooling as the of officers and sailors in the same fooling as the of officers and soldiers if the army. The smeadment was rejected and the bill passed.

In the House, Mr. Whilstell, the newly elected billings from Ramas, appeared, was qualified and billings from Ramas, appeared, was qualified and billings from Ramas, appeared, was qualified and billings from the suppression of small notes in the Buttlet of Columbia was passed.

Wassintorn, Dec Sita-in the Sectas, to-day, Mr. Sidell, of Louisians, presented a petition in favor of the privilegue to Americans, in foreign square pointies, two works picked and bury their deed according to the dictores of their own conceinences.

Wassintorn, Dec Sita-in the Sectas, to-day, Mr. Sidell, of Louisians, presented a petition in favor of the privilegue to Americans, in foreign square pointies, instructing the Committee of the Constitution of the United States in the war now existing between Mr. Special control of the Constitution of the United States in the war now existing between Mr. Wassinton-in-control of the Committee of the State of the presented a petition from the Resident of the State of the subove subjects was appropriately federal.

Mr. Dawn-n. of Georgia, presented a petition from the Events and the State of the subove subjects was appropriately federal control of the Constitution of a railroad, and all sorts of roads, traversable in all

COM. STOCKTON AND THE KNOW-HOTHINGS. BOTHINGS.

This veteran Democrat, now in Washington, has recently come out with the following letter in favor of the Know-Nethings:

Com. Stockton and the Know-Bethings.

PRISCATOR, Dec. 6, 1834.

A. MCLARE ROBBINETT, Esq., Wilmington, Delaware.

DAN SIX—I have received your letter of November 33, and I thank you for the sentiments of friendly commandation which it as processes.

November 33, and I thank you for the sent-mosts of frieedly commendation which it agreement of frieedly commendation which it agreement to the sent-most of frieedly commendation which it agreement to the sent transfer of the sent transfer o

tent or Papiet, would be dangerous to Liberty and isostile to the spirit and genies of the American constitution.

You allede to my presentation of patitions, whilst in the Senate of the United States, in layor of the exclusion of foreign papers and convicts. On that subject I will only say, that had I deemed the period prophisons, such was my sense of the dangers and evils of the importation of its class of foreigners. I should have folt it my duty try propose a capitation import at my source arrestly been orged upon Congress by the multiple and the control of the class of foreigners by the multiple and the control of the class of foreigners by the multiple and the control of the class of foreigners, I should have effectually sycloded them from our ports. That sech a measure of precaution has not seen to be considered and the control of the class of the period of the control of the class of the control of the control

denice enough that the new party is a pro-slavety party?

4. The first man in Concreas to bring forward
that creat "American measure" measure, the
relorm of asturalization laws, wa Senator Adame, of Mississiph, and one of the reasons
ureed in his speech was that foreigners ranged
themselves with abolitomists. The proposed
change is required according to Mr. Adms., in
order to avers the growth of that party in the
fee States which is opposed to the extension of
slavery and the dominion of alive power. It is
slove required, we will add, in order to avers
