NO. 109 CHARTRES STREET.

THE DAILY BEE.

STREET.

A bold wing, and a theless energy, har noble career, smill she has attained that high deathy for which she was designed by her great suggestance. The Office of the "Bea" is removed to No. 100 Chartres street, between Coatl and Bt. Lour streets.

THE NORTHERN MAIL came through yesterday with the latest dates.

THE Compromise and Col.—Hunt, for his speech abd vote in support of the winds of deanneistion of Col. Hunt, for his speech abd vote in support of the Missouri Compromise, have assumed to themselves a knowledge of the principles of the Constitution, and the policy of the factors and shores and sacred honor" in the American revolution, and the policy of the factors and honor' in the American revolution, and we name as a sacred honor' in the American revolution, and we name as a sacred honor' in the American revolution, and we name as a sacred honor' in the American revolution, and we name as a sacred honor' in the American revolution, and we name as a sacred honor' in the American revolution, and we name as a sacred honor' in the American revolution, and we name as a sacred honor' in the American revolution, and we name as a sacred honor' in the American revolution, and the policy of the factors of the sacred honor' in the American revolution, and we have a sacred honor' in the American revolution, and we have a sacred honor' in the American revolution, and the policy of the factors of the sacred honor' in the American revolution, and who assisted in putting the American government in operation, and in guiding visc councils at home, and conducting its dup many about the sacred honor' in the American revolution and we are sacred honor' in the American revolution, and should, at the coming election, go into "fastor" with the Street here being a the lattice come had been presented as Apras for a beauty and the sacred honor' in the American revolution. The sacred honor' in the American revolution and who assisted in putting the American agreement in operation, and in guiding visc council the South, in the enactment of the South, in the enactment in the south of the South o

ded to the American government, afterustrious Manison, and eight years President of the United States, Louisiana voting in thin at both elections. He signed the in 1 C. Calhous, Secretary of War; If CRAWFORD, Secretary of the Treand r Mr. MONROE, all concurred in the most brilliant orators and loftiest we prevented him from reaching the ended purist of his age and country, ed or it. CLAY, whose genius and costsin, now that he has passed to his Junes and Col. King, whom the

y, voted for it. Gen. JACKSON iple, and warmly and urgently pressed is Mr. Peak approved, and in that law so to the Pacific ocean. The two Sena-Southern measure, carried by

the Saute of the United States.

The committee appointed by the late Lexington (Missouri) Convention have insued that is undersooned the few bright names that provide some of the few bright names that provide some of the few bright names that and calculated to circumstribe shaver to its and calculated to circumstribe shaver to circumstribe shaver to circumstribe shaver to circum Lxington (Missouri) Convention have issued an address to the people of the United States and approved that Corapromise, for more than thirty years on of our National Legislation, see upon whom the malediconteign party fall.

If was JAMES MONROE, who in the revolution, Governor, Governor to receive the repetition of Ransas as a slave State week to the revolution, Governor to receive the respective of the sample of the states of the colony of Louisiana was a American government, after-tary of War, and Secretary of the administration of the admini provide some of the few bright names that supported and approved that Compromise, who is stood for more than thirty years on the records of our National Legislation, and we shall see upon whom the maledictions of the foreign party fall.

First of all was Janes Monroe, who was a here in the revolution, Governor of Vaginoa, twice Ambassador to France, and who negotiated the treaty by which then french colony of Louisians was coded to the American government, after

vosce).

NEW MUSIC.—We are indebted to Mr. WEHRMANN, publisher of masic, for a new and very
peetty polks by HORFFNER, entitled Onondaga-THE FEVER AT MONTGOMERY .- Some fifteen or twenty cases of yellow fever are reported, but generally of a mild character.

The brig Blackhawk and Young America came in collision at Racine on the 22d str., when the latter immediatory sank. She had a To a the attength of the certificate of the physicians attending Captain Wright, stating that they consider him out of danger, Dan, who inflined the wound, has been admitted to bail in the sum of \$5,000. Mostpomery has been held to bail in the sum of \$2,500.

THE TELEGRAPH.-We have been informed of the Washington and New Orleans Tolograph Line, will be closed hereafter until further no-tice, at seven o'clock, P. M. This order has

been given on account of the sickness to account been given on account of the sickness in Mon MASSACHUSETTE POLITICS. - The Know Nothings are highly indiguant at the failure of the Republican Convention to re-nominate Gardner for Governor. Large meetings were held in this city and Charlestown last eveni Print and treasury, pre-beld in this city and Charrestown isses evening we for the annexation of Texas, Print approved, and in that law padiated, and resolutifies passed is favor of

separate action and the nomination of Gardee They also elected delegates to the straight ou Know Nothing Convention the South adhered to it. It Arrival of the Crescent City.
