THE EXECUTOR—The season of the Demo-tratic State tirket by over 3,000 majority is conceded on all sides. We, therefore, omit our lables sattl the official returns are received,

whose we asked year. Beturns from all the towns for the State but nine abow Gardaer's plurality to be about 15,000: Chaffee, American, is elected to Congress from the tenth district. To the Lower House of the Legislature 180 Americans are elected, against 92 for all others. To the Senate, as far as heard from, 93 Americans, and 17 of all others. The Black Republican party in Massachusetts is stone dead. However, and the for that. It is of line gotpagequence.

gre a brief account a lew days ago, in the most important items:

Capyung or Grandad ar Col. Water.

An extra of the Control American, published at Son Jun del Norte, Oct. 22, says;

We have received the following communication by a gentleman from the interior, by which it appears Walter has at length taken possession of Granada, and that an American lady

was taken without havor, only a few shots naviar be'n fired. On the 1'rth, the Virgis of the Lake avived at Bas Carbe. Colosel Fry and Capt. French. of Walker's Company, sent a letter to Colosel Bosques, who was in command of the Fort, to carrender, stating that the Bad poseesion of Granda and the Luke, and that he wished to evade bloodshed. The neawor was given by Bosques is several ebots, which he fired at the steamboat, which caused her to draw off out of the rance. She then attempted a landing at Ponta Mires, but was onsuccessful; and having resolved some demage, returned to Grensia,

there is no immediate probability wonding several and considerably damaging the boat. After some delay for repairs, Cohort Breques alliewed the atenaner to proceed on her
