is remaining at Bermuda will tend to cool the arregance and over sensitiveness of the American severiment.

This brings down the narrative of events as lare as the sailing of the Asis. Since then the telograph has transmitted a week's later intelligence from Europe, and has stated that the war panic had been greatly augmented by the incendiary character of the articles in the London Tisses; that the people had been exceedingly slarmed; that rumors had circulated to the effect that Mr. Boxemans had demanded his passports, and that nothing but his official and authoritative denial had alleviated public apprehension. The mails by the steamer, which are due in the course the primer in this way must THE PROPERTY OF STATES.

It is said that soveral distinct shocks of a earthquake were felt on Staten island be

tween nine and ten o'clock on Friday morn-ing last. No damage was done. Inc last. No damage was done.

Dr. Kane has made arrangements with Childs & Peterson, of Philadelphia, for the publication of a personal marraitre and so-cattle papers of the late Arctic expedition. It will be comprised in two 8vo. volumes, illustrated with seven hundred engravings from pictures position by a distinguished artist from deguerrectype views taken on the spot, and from original deswings made by the author. The Secretary of the Navy has expressed a desire to facilitate the work every means in his power. The manu

cripts are in a very forward state, and the ork will be issued with but little delay.

Fronty of Punce botwoon Col. Walker an Gon. Corral. Our advices from Granada, (Nicaragua.) are nearly two weeks later. The news is very interesting, Col. Walker, leading the se called Domocratic party, had concluded a treaty of peace with the Chamows. Don Patricio Rivas was appointed provisional Pre-sident (Col. Walker refusing.) and sworn into e on the 31st of Detail

designs to six dollars per month for foreign of miners' licenses, has probably contributed to this.

FOREIGN EXTRACTS.

The Battle of Kare-Regista Account.

EXEMPACYS., Oct. 5.—Yorkorday evening there arrived here an express with letters of the 30th of September from Kars. The letters were written in the evening, and contained at the intelligence that on the morning of that day the Ressians invested Kars on all sides in full force. The batteries of Kars opened a murderous fire on the besiegers. Three times were they driven out by the Turks at the point of the Turks is entreachments, and three times were they driven out by the Turks at the point of the bayonet. Colonel take distinguished himselved they driven out by the Turks at the point of the bayonet. Colonel take distinguished himselved to the bayonet. Colonel take distinguished himselved to the bayonet of the point of the bayonet. Colonel take distinguished himselved to the first a redoubt defended Russians were slain before a redoubt defended when he was a state of the first and the European officers. Colonel lake and Capitalia Teresdale and Thompson, distinguished themselves. Hr. Charchill, formerly effects yet four remissany from Perria, and now Secretary to then Williams, commanded at one of the redoubts, and showed himself a thorough Englishman. A postacryl of a latter of the lat instant adds that the loss of the Russians is estimated at about eight or him thousand killed or wounded. About four thousand cryses he under the walk of Kars. The Turks are basied now in burying them. The ones of the Turks is reckmed at quantity of store, and about eight hundred prisoners were taken, amongst whom were many off.

The loss of the Turks is reckmed at about eight or increase of the Turks is reckmed at about eight of the constituent of the
