We advise you to furnish legal rec-

ords which the State of Georgia will

materially benefit. We shall refer brief-

ly to such modifications as existing

legislation, as are needed, in the ad-

ministration of the several

revenue departments.

On the subject of Police reform there is no

difference of opinion whatever.

All persons

against the one or the other

and complete abolition of that department

— the Board of Police. We hold the

opinion of the Board of Police, that

the first is the best.

Our friends

advise us to do nothing but to re-

form the Board of Police.
