The proprietor, in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation and sale is unrivalled by any similar preparations extant. The testimony in favor of, given by the most prominent and well known Divines and individuals in all parts of the country, is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his agents, cannot but satisfy the most skeptical that this remedy is really deserved of the great celebrity it has obtained.

Principal office and manufactory No. 98 ARCH Street, Philadelphia, Pa.

Testimony from Louisiana,
THE GERMAN BITTERS IS SUPERIOR TO ALL PREPARATIONS NOW IN USE.
JACKSON, La., August 18, 1854.

DEAR SIRS:—I feel bound to express my gratification in regard to the unexplainable benefit I have derived from the use of two bottles of your German Bitters. I have found them to be all you recommend them to be, and therefore I recommend them to the public as a safe and sure remedy for the diseases they are intended for, and superior to all other preparations now in use. Very respectfully yours,

H. OPPENHEIMER

THE BITTERS ARE ALL THAT ARE REPRESENTED TO BE.
JACKSON, La., August 20, 1854.

DEAR SIRS:—I have used your German Bitters and find them to be all you represent to be, and cheerfully recommend them to the public as an excellent remedy. Respectfully yours,

W. F. FAULKNER.

HARRISONBURG, La., May 22, 1858.

GENTLEMEN:—I have very valuable medicine and will have it sold from you, and wish to order supply immediately.

Dr. CAYCE QUAIL, agent.

NEW ORLEANS, La., June 30, 1853.

DEAR SIR:—I have for the last year used the German Bitters, prepared by you, in my practice extensively. It is, without the slightest modification of the kind that can be found, a good tonic, and I believe that in less than one-half the cases I have used it in this vicinity that is any other article of the country.

Dr. GAILLARD says:

FRANKLIN, La., June 24, 1853.

"Your German Bitters have become very popular here, and I want a fresh supply immediately."

R. B. ARCHER, Esq., says:

THIBODEAUX, La., June 3, 1853.

"Your Bitters give universal satisfaction to all who have used them."

A celebrated author in mind that these Bitters are a combination of the most valuable medicinal virtues of all the preparations recommended for similar diseases.

Sold by Druggists and Store-keepers in every town and city in the United States and Canadas, and by

P. MALARD, NO. 67 ROYAL STREET.

Be not deceived by base imitations. Hogeman, Clark & Co.'s genuine Cod Liver Oil never disappoints, and ten years' experience has proved it superior to all others, and the only reliable cure for consumption.

As there is a great deal of spurious oil in the market adulterated with seal oil, whale oil, &c., &c., too much care cannot be taken to procure the genuine.

Our oil is made of our own factory in Newfoundland, and each bottle has our signature over the cork. Be careful to get Hogeman, Clark & Co.'s, as thousands who had used super oil of inferior quality, and were almost giving up in despair, have been restored to health by using the genuine oil of our manufacture.
