A SLAVER TATES.—United States Marshal Captain Rynders has made a notable opening of his administration, by seiring smalleged alayer, the clupper schooper. Merchant, the captain, mate, and orew of which, in all nine persons, were arrested, examined on Friday, and sent to just by Commissioner Morton. The vessel was selzed at Sandy Hook by means of a steam-tug, and now lies in Buttermik Channel, under the guns of the revenue cutter Messington, Capt Fannoe.

Captain Rynders showed great advoices and clearness in ascertaining the true character of the sizer. On Wednesday night, because of the research of a county-man. He acted the "greeny so of a county-man, and says the captain and mate for the ship had their own fun with him. The of the ship had their own fun with him. The of the ship had their own fun with him. The of the ship had their own fun with him. The of the ship had their own fun with him a layin' around there was going to do? "He says the officers then "gammoned" him considerably, winking to each other during the conversation, but at length told him that "that little schooper out there was a blackbird?" said ther wings going to do?" He says the officers then "gammoned" him considerably, winking to each other during the conversation, but at length told him that "that little schooper out there was a blackbird?" said after nigers. "On he said they go the ship and a ship and a she may be a ship and the shader him and the was brought alongside the revenue cutter, when Captain Rynders put on a pajacket and attended to that duty in person. Four Spanish aniors were found secreted on board. One of them was found secreted on board. One of them was found secreted way to the boil
