The Iralian Orsea.—The first representation of Maria di Rohan last evening attracted a brilliant and numerous attendance. As this opera is little known to our citizena, though very frequently performed in Europe. It may be well to state that it is regarded as one of Douzzerriz most successful. The first state of Douzzerriz most successful compositions, though not complete and uniform in excellence as "Lucia" or "Lucrezia Borgia." It abounds, neverthe base in unsucal inapirations of great beauty per of the United States at the first supplied by Pravoint, the leader of the orchestra at the Gaiety, in order to complete an otherwise imperfect moresau—and the stretch with the lasts of the orchestra at the Gaiety, in order to complete an otherwise imperfect moresau—and the stretch with the last of the orchestra at the Gaiety, in order to complete an otherwise imperfect moresau—and the stretch with the last of the orchestra at the Gaiety, in order to complete an otherwise imperfect moresau—and the stretch with the last of the orchestra at the Gaiety, in order to complete an otherwise imperfect moresau—and the stretch with the last of the orchestra at the Gaiety, in order to complete an otherwise imperfect moresau—and the orchestra at the Gaiety, in order to complete an otherwise imperfect moresau—and the orchestra at the Gaiety, in order to complete an otherwise imperfect moresau—and the orchestra at the Gaiety in order to complete an otherwise imperfect moresau—and the orchestra at the Gaiety in order to complete an otherwise imperfect moresau—and the orchestra at the Gaiety in order to complete an otherwise imperfect moresau—and the orchestra at the Gaiety in order to complete an otherwise imperfect moresau—and the orchestra at the Gaiety in order to complete an otherwise imperfect moresau—and the orchestra at the Gaiety in order to complete an otherwise imperfect moresau—and the orchestra at the Gaiety in order to complete an otherwise imperfect moresau—and the orchestra at the Gaiety in order to complete an otherw

The principal morceaux in the second act consist of two duos, the first, Corrisso alla Vittoria, between the barytone and tenor, is replete with dramatic warmb and originality—the second, between the tenor and so pramo, is exceedingly tender and passienate. The third act is very fine. The prayer flaves we like second, between the tenor and so pramo, is exceedingly tender and passienate. The third act is very fine. The prayer flaves we like second act is very fine. The prayer flaves we like second act is very fine. The prayer flaves we like second act is very fine. The prayer flaves we like second act which is a possible of the second act which is a present much tho second act, which is very beautiful, and which she sings magnificantly. As usual, her acting was forcible and true to nature.

The opera was received with the warmest enthusiasm and promises to become popular. Like all mustcal compositions, it must ochard two or three times before its beauties can be thoroughly appreciated.

The next flaves we may be a second act which is a present much thousand of tons of minimum the second act, which is a present much thouse main true to nature.

Every day in the year thousands of tons of minimum the second act, which is a present much thouse main true to nature.

The next and Maintenance of the compositions, it must ochard the second act, which is a present much thouse main the first of lines.

Every day in the year thousands of tons of minimum the compositions, it must ochard the second act, which is a present much thouse main the first of lines.

The next and Maintenance of the composition of the child o

The New York papers contain the annexed depotch:

Quenc, Monday, May 4, 1857.—The Liver pool and Canadian Steamship Company's steamer Indian arrived at this port to-day at 1½ o'clock r. m. She left Liverpool at 9 o'clock on the morning of the 23d ultimo, and brings four days' later advices than those brought by the Africa.

and will be ready in a short time to tak departure to reinforce the East India for the East India for pool at 1 steam frigate Minnesota Steam frigate Mi

The Grand Duke Constantine had arrived at Todion, and was received with the usual femors.

The accounts from the French manufacturing districts are not satisfactory. Baw west and coloural produce were rising. Very little business had been done in the corn market and a cognificated actine had taken face in hordeaux and Toulon. It had been face in hordeaux and Toulon. It had been face in hordeaux and Toulon. It had been faced week which the owners soon discoult we recrease that there is micro than safficient wheat in France for consumption into the next harvest. The growing crops model must the next hereous. The wine market as brief and firm at herey.

PULITICAL.—The Lendon Post says the searches, that the Post says that the Mexican difficulty presents a fair chance of pacific arrangements.

SPAIN.—The Madrid correspondence indicates that the Mexican difficulty presents a fair chance of pacific arrangements.

The Neutchatel question was not over the Tours of pacific arrangements.

The Neutchatel question was not over the Tours of the four powers declare that they had not represent the week the rest to effect an arrangement to prove the settlement they done their best to effect an arrangement was one their best to effect an arrangement was come to think they will be able to obtain prest to the source and though to the four powers declare that they were the Helvist Confederation and Press a by settling the questions in displacement between them in the best way that it comes the content of the four powers declare that they were the effects an arrange in the corner of the four powers declare that they were the left of the four powers declare that they were the left of the present of the four powers declare that they were the left of the four powers declare the four powers declare that they were the left of the present of the four powers declare the four powers declare that they were the four powers declare the four powers declare the settlement they have done their best to effect an arrange four powers and the four p could be done, in their judgment, for their interest. They ofter the settlement they have made to the contending parties for their acceptance, and strongly recommend them to do so. If, however, they refuse to accept of the propositions, and such refusal should be followed by measures of a heatile character, the four Powers will do their best to prevent heatilities breaking out between they two mathematics.

which exerted nopes of an amicaus arrangement of the question in dispute.

CIRCASSIA—At the close of the investigation into the Kangaroo affair, the Sultan pronounced Mohammed Bey, with Ferbad and Isanes, guilty, and sentenced all three to banishment.

The Journal de Constantinople says that the Busesan Fort of Salish had been taken by the Circassions and the garrane put to death.

PERE—A in the posted at Lloyd's, London, says that the late attack by the revolutionary party in Peru upon the stack of the constant party in Peru upon the stack of the constan
