that the month of September there was

which touches you. There is not use analy you who does not look towards the acquisition of Cuba with deep interest. But these Cuba is to be acquired by the United State you want (buba as it is—you wrant Cuba with its social planes unlampaired. You wrath that domannity of inserest which shall but her to the Houthern States of this condensation.

This is truly a remarkable development, and presents Mr. Buchanar is a most associable position. The Presence is utilized to spare Hoaragus, but annious to dishester upon Mexico, excite a war between that upon Mexico, excite a war between their country and fignin, and seoure Cabe under the guarantee of Mexican political institutions, which are hostile in every respect to slavery! If these statements of Gen. Walking are correct—and we see no reason te doubt them—how much reason have the Democracy of the South to love the President, and land his administration. racy of the South to love the President, and laud his administration?

The remainder of Gen. Walkin's speech referre exclusively to later events connected with his arrest, the nearage of the President, the agency of Yatkankii in procuring his setting upon the subject. He concluded his address in the following manly language:

It has been natiful to me to relate many of

with his arrest, the message of the President, the spency of Yrisanzi in procuring his setting when we returned to the strom Nixiaragan in May hash that we came in observing arm of force used by the officers. Assemin as we touched such as we became once more ared our islention to return to Som after! I saided in New Orthway gentiested with the constitutional administration. They told she had many fracted the metal that the said of the Armer of the Cabinet. They told she had many fracted the new orders in the Cabinet. They told she had many fracted the metal two differs are Involved in this master, and that it touches in the said of the Armer of the Cabinet. They told she had many fracted the new orders had an activity of the said of the Armer of the States. They, more specially the said the trained of the Armer of the Mark to the said the trained to chook its Americans sho were labored as the Americans sho were

that it had been stated to the taundry times the English their officers at San Juan deliversed that the wrongs done to me and to others were still more grievous to you and yournels their officers at San Juan deliversed with our proceeding their officers at San Juan deliversed with our proceeding their officers and they were told by the tree should be no further inceptant of English officers.

The part of English officers, that, as far as the American structure of the United States were concerned, the United States of their officers with the tolerated States of their or their officers with the tolerated States of their or their officers with the tolerated States of their or their officers with the tolerated States of their officers with the States of the States of their officers with the States of the States of their officers with the States of their officers with the States of the States of their officers were still more grievous to you and your states and of the Constitution of the United States, your interesting the United States of the United States of the States of

Partacdric Glassin.—It will be seen by the advertisement in our columns that Mr. A. Gazzw. opticism, from the Boyal Optical institute of Berlin, has transferred the optical department from Dr. You Monematskin's rooms in the St. Louis Hotel to No. 56 Camps treet, at Razz's jewelry establishment. Mr. Gazzw will be constantly supplied with pantasouple glasses, made of gasuine pebbles, and will make accurate armination of the eyes of persons desiring spectacies by making of these admirable investions, the optometer and visiometer—thus enabling him to edjust and visiometer—thus enabling him to adjust his glasses to the exact focus of vision. Mr. GRAFFS is a gentleman of great experiesce in his profession, and is in every respect bu-

titled to public confidence. M. R. SHITH & CO.'S GRAND TOMPOLA.—In consequence of the grantic character of this great gift enterprise, and the unavoidable delay in the preparation of the prises, the drawing is necessarily postponed until the delay in the propagation of the drawing is necessarily postponed until the lat March next. In the meanwhile we are glad to perceive that the tickets are being disposed of very rapidly. VALUABLE SUGAR PLANTATION AT AUDIT

ALUARIN SCOAR FLATFAREN AT ADVENTIGATION OF THE MINISTRA PROPERTY AND ASSESSED AS A PLATFAREN AT ADVENTIGATION OF THE ASSESSED AS Lists will seek on the Schonge, a sugar plantation, in the service it mysel, but the schonge, a sugar plantation, in the pariah of Orleans, six miles below the city, lower and there has considered it is know explicitly counter with the sugar-house, purgery, engines, mills, dwellings, do., situated therefore did instantively, he went an resistion to the matter, as resistion to the matter, see rithe President, told where not to go; where they, and where I could dear the remarked in the seed cane. The plantation, elays, they, and where I could can. It is remarked in the seed cane. The plantation, elays, they are seed the advertisement.
