PERFECTED CHEMICAL PAPER

Of A. ANCELIN, Pharmacien, Temple street, No. 22, at Paris.

This convenient, clean, effective paper is one of the most precious therapeutic agents. Incomparable expectorant, and the unfortunate crisis resulting from its use have demonstrated its superiority beyond a doubt. It is unchangeable in cases of gout, rheumatism, lumbago, wry-neck, neuralgia, pains and irritations, &c. It relieves and often cures corns, bunions, collocities, &c.

In the same establishment are manufactured STICKING PLASTERS of every kind, GLISTERING PLASTERS, INDIA RUBBER SURGICAL BANDAGES, &c. All these goods are remarkable for their perfection and cheapness.—At New Orleans by ED. GUILLOT.

PILULES DEHAUT

THE VEGETABLE SUBSTANCES contained in this Purgative have been selected and combined according to the new method of M. DEHAUT, in order to be Taken and Digested at the same Time as the *Most fine food and the most fortifying beverage*; this certainly allows every body to choose, to take a Purgative, the most convenient hour and moment of business and avoid the nauseating disgust of all other purgatives. These advantages, which 25 years experience have proved, have rendered DEHAUT'S PILLS very popular in France. They are invaluable against Constipations, Habitual Sluggishness, Bile, Sick Headache, Vertigo, Flatulency, Hæmorrhoids, Piles, &c., because the wholesome food which the sick man takes at the same time will enable the organs to bear his course of treatment without relapse.
