

Office 73 Chartres street. CITY INTELLIGENCE. We had an invitation to visit the Joseph Church, in Barrow street, on the 12th inst. The invitation was given by the pastor, Mr. Mitchell, of the Methodist church, and it was accepted by a number of our friends. The church is a fine one, and the services were well attended. We were very much interested in the services, and enjoyed them very much.

The Rev. Messrs. H. H. Rogers and J. M. H. Rogers, who were the guests of the Rev. Mr. Mitchell, were very much interested in the services, and enjoyed them very much. They were both of our friends, and we were very glad to see them. The church is a fine one, and the services were well attended. We were very much interested in the services, and enjoyed them very much.
