MOVEMENTS AT CHARLESTON.

We have received the Mobile Evening News
of the 25th, and the Jackson Mississippian of
the same date. We gather from them the fol-
lowing interesting news:

(From the Jackson Mississippian of the 25th.)
The Siege of Vicksburg.

The reported capture of Vicksburg last
Wednesday, by the Federals, by the enemy,
has not been confirmed by our late advices. It
is probable that there was no such assault as
reported.

Very little is known about all day yesterday in
the direction of Vicksburg. It was thought by
many to be nearer Jackson, but we presume
that our gallant Gibratars are around our gallant Gibratars.

Federal Cavalry at Brookhaven.

A short while yesterday some thirty or forty
of the Federal cavalry dashed into Brookhaven,
broke up eight cars, and left an eastern direct-
trip to the rear. The rear end of the train
which was below Jackson, and will very
materially interfere with the limited means
of transportation between Brookhaven and Jack-
son.

The Federals only staid twenty minutes, and
did no damage to the track or place.

Charleston.**

Charleston, June 23.—We learn that there
are eight regiments of the army on our part
between the city and the river, and that Federal
troops besides Foster's reinforcements, have
been removed from the depot. It may be some
time before the Federals are sent from North
Carolina, to reinforce Banks.
