Bear Rickman-A Character. Every one whom pleasure or business has ver called to Washington must have been y draw a meets as he jected the lime when we not carriage, 'military gait and grissly moustone—the refugee from every king-ride metry in Ecrope. He may be seen on any fine v threading his way through the well-dressed in the case of th day threading his way tarongs the west-creece scowds of Pennsylvania avence, with the well-worn coat buttoned tightly over the narrow chest; with the pinched ince betchening many a foodless day and shelterless night; but with the same fire in the aye that blazed at the berthe same fire in the aye that blazed at the berriender of '48, that accompanied the revolutionary student-roug at Napies, and met the Amstrian lenders at Comera. As he walks the street, he losse, in a measure, his interest; for he is not alone in his individuality. There are conster-claims to public attention set up he many a many a many a many a many and the street in the stre such an answerd at the oddition and plate particles search yearpelling the particles search by appelling the particles of the particles search by appelling the particles of the particles search by appelling the particles of the particles search by appelling the particles of the
