

NEW ORLEANS. SUNDAY MORNING, OCTOBER 2. The morning of the 2nd of October was a fine one, with a light breeze from the west, and a few clouds in the sky. The temperature was about 75 degrees Fahrenheit.

One day later from the North by River and Telegraph. The telegraph lines are now in operation, and the news from the North is being received daily. The river is also in a better state than it was some time ago.

General News. The news from the North is very interesting. The Union forces are making progress in many places. The Confederates are also active in some quarters.

Local News. There has been a fire in the city, which has done some damage. The fire was caused by a gas stove. The fire department was called out, and the fire was extinguished.

Public Affairs. The city government is considering some new measures. The council has met several times, and has discussed various matters of importance.

Education. The schools are now in session. The teachers are doing their best to educate the children. The parents are also doing their part.

Religion. The churches are holding services as usual. The people are attending in large numbers. The ministers are preaching the word of God.

Amusements. There are several theaters in the city. They are showing new plays and operas. The people are enjoying the amusements very much.
