not the Constitution.
Another question was whether free blacks in
the Narthers Blates were treated as freemen
and citizent in each State, and if not, whether
the Southern staves if est free would be treated

The New York Herald of the 19th ult. eays

ave been segaged in it.

It is understood that all the facts required is opping the trade are now in the hands of that sthorties. Many arrests here and elsewhere se yet to be made.

RADICAL GERMAN CONVENTION AT CLEVE

t. on D.—The first c nvention of radiosal der muna olosed its session at Cleveland on Thurs-day last. The following platform of organiza-tion was adopted, the shief object of which is t work oof; jutly with their fellow citizens or

or the realization of the principles and measures annexed:

1. Integrity of the Union, and subordination of the several States under the sovereignty of he people of the United States.

2. Unconditional suppression of the rebellion 3. Unionditional suppression of the rebellion of slavery in the territory of the United States in the abstract way.

retained for the purpose of reconstruction.
Cession of the conflicated lands in the iof the Homestead Bill, as well as donatof portions of land to the defenders of the try, of whatever color, and to the liberated

CITY INTELLIGENCE

Remoral.—The U.S. Provisional Court has removed to the rooms of the Fifth District Court is the Courthouse, between St. Ann street and the Cathedral.

Court is the Coarthoose, between St. Ano street and the Cathedral.

Sixth District Court—Judge Howell—Gustave Tournade same his wife, Marianne, for a divorse, and the case was tried yesterday. Plaintiff complain that when he was absent from his wife for subties mouths, she bore at female child. Hence the charge of adultary, anti for divorce, and the application to have the child declarer in adultarous hastard. The case is taken moder advisement.

the Bosshern shaves if set free would be treated he seads.

Mr. Beesber said it was one of the mischiefs of shavery that it blighted not only those who were in slavery, but everybody that belonged to the nation that constituenced it. Twenty years ago there was a projudice against people of color, but it had been giving way were since. In the Bates of New York every colored person had a vote, and it was the same in many than 11 they were free, he had only to say that they loved the ann and not the loe, and if it were possible for these men to be free with their rights in the Botth, not ten years would singue before almost every colored man would go out of New York, New England and Canada, and go down South. They liked the warmth better, and the question of how the North would treat them would be settled by this fact, that there would not be any of them left to treat.

torpadoes. The commission merchants, it is alleged, were soggaged in extensive operations, to some of which were prospective, for the benefit of the rebel authorities.

But the special importance of the arrests lies in the fact that a regularly prepared achame of trade with the flootith is uncovered. The appears that for a few months past the contraded with the flootith is uncovered and that many men who exploy fair reputations have been expaged in it.

It is understood that all the flootith is prophing the contraded that the contraded tha

A subsequent dispans room
the Herald professes to set forth the jobs
which President Lincoln has determined
pursue with regard to Mixico-time
It has been determined by President Linco
not to take any thead in tice of the Fren
invasion of Mixico until our own domestic and
manning has been under the president of the Fren
invasion of Mixico until our own domestic.

derd by dainy, in vain did he represent the cause of human liberty as likely to be jeopardized by even a temporary substitution of a new system of Policy in Mexico for that which is most acceptable and congenial to the people. The Previetent maintained throughout that the United States Government has a duty to perform in porting down this rebellion which was paramount to all other leades out if the integrity of the Union shall have been family and perform to putting down this rebellion which was prevailed upon to strike out everything having reference to the Freuch occupancy of a portion of the prevention. It was intimated to him that any silnsion to the present condition of things in Maxico would necessitate a reply which might be subject to misconstruction, and prove greatly embarrassing to the government of the United States.

New York papers, of the 31st October, have the following, contained in correspondence dated from Folly Island October 'A'h:

Three heavy guna-have been turned upon the city to increase the fire into the very beart of that place. Other guns are to open upon the city this inference it was not intended at first to make a commencement of such vigorous operations, but circumstances have changed the programme entirely. Our batteries are also at work on Johanou, Sumar and Modifier. He is evidently taken without warelow.

The spremy reply received, although be has it work on Johanou, Sumar and Modifier. He is evidently taken without warelow.

Your monitors are in position off Sullivan's faind. It is understood they will engage the rebel works this atternoun. The from the spream time of the 30th October caps: The President to-day, in conversation, intimated that General Butler would soon have an active command.

The range of the guns on Sumter and Johnson is one third less than it was before the capture of Wagner and Gragg. The living on our side is excellent—every shot seems to be effective.

The bejore of the fire was to capt spream to contract the monouting of the store of works, and to prevent the constructive.

The bejore of the guns on Sumter and Johnson is one third less than it was before the capture of Wagner and Gragg. The living on our side is excellent—every shot seems to be effective.

The bejore of the green and to prevent the constructive.

The preparations have been making for some was the constructive of the store of any vigorous assantia.

The preparations have been making for some weeks for active movements to patent to as all, and will be more so when the social moment of the contract of the contract of the quanties of the contract of the contract of the quanties of the quanties of the contract of the contract of the quanties of the contract of the quanties of the contract of the quanties of the contract o
