By Charles E. Fortier, at his auction store No. natomhouse strept—Show Case, Sas Fixtures, &c. We would call the attention of our busines' friends to the advertisement of Meerza Jankzon & Mancou in sanother column. They are now receiving cearee and fine sait direct from Liverpool. The fine is the first which has been received direct for three years, and is of course superior to the Syracose and other kinds of inferior quality, on which the market has had to depend for some time past.

To Mr. Hare, Clerk of the W. H. Orbort and to Mr Moore, Clerk of the Ida Handy, we are obliged for valued favors from the West and to Mr. Dublo, of Adams' Express, for late papers from Boston, from Canada, and from Georgia.

The Coming Ricction,
