PROPRIETY OF THE CELEBRATED

VICHY WATER

Disorders of the Digestive Organs, Diseases of the Liver, Kidneys, Bladder, Gout, Gravel, Diabetes, Albuminuria, Rheumatism, Etc.

Physicians of the highest standing have long recognized the fact that the Vichy Waters are the most valuable remedies known for the cure of the above diseases.

The above is confirmed under the control and direction of the Government.

Vichy Water is recommended by the Faculty as a preventive of Cholera.

VICHY WATER is delicious when mixed with wine and is the BEST corrective of sea sickness.

Vichy Water is for sale by druggists and grocers throughout the United States.

Depot for the United States, No. 6 Barclay street, New York.

PREVENTIVE AND CURE OF THE

DISEASES OF THE CHEST

BRONCHITIS, COUGHS, COLDS, ASTHMA, CONSUMPTION, ETC.

BY THE USE OF

HYPOPHOSPHITES OF Dr. CHURCHILL.

SYRUP OF HYPOPHOSPHITES OF LIME, SODA AND POTASH.

HYPOPHOSPHITE OF IRON.

These remedies are the extract from the true principles of the Hypophosphites, and are entirely free from the acid found in the ordinary preparations, which renders them unpalatable and injurious.

The Syrup—These salts are obtained
