AUX MALADES

Trouver le moyen de purger pendant plusieurs jours sans fatiguer, sans contrainte et même, au besoin, pendant le sommeil, sans se réveiller, sans modifier les habitudes et sans fonctions digestives, tel est le problème posé et résolu par le docteur DEBAUT.

Supposer des entrailles purgatifs, les PILULES DEBAUT n'opèrent rien que si elles sont prises et digérées avec leurs aliments et des boissons fortifiantes (thé, café, vin, bonne bière, eau sucrée). Pour ne purger que ces selles, chacun choisit l'heure et la repas qui lui convient le mieux, selon ses forces, son appétit et ses occupations. La diète de la purgation, réduite à un repas ordinaire, par le bonne nourriture on se décide aisément à rester toujours aussi nourri qu'il le faut pour rembâtir la santé.

On voit tout de suite que la purgation ainsi opérée devient un moyen sûr de prévenir et d'une manière incontestable de maladies dans lesquelles des médecines rares et intempestives demeurent sans effet décidé.

Le système du docteur DEBAUT est exposé avec la plus grande clarté et d'une manière très détaillée dans son MANUEL DE MEDECINE, OBTENIRE EN DE PRAIRIE MACIE CONSERVATIVE, volume in-8° de 360 pages (franco). Ce ouvrage est donné SPECIALEMENT pour les gens de campagne et les personnes qui ne seraient pas entourées d'un médecin ordinaire. Il a été rédigé en outre de papier, et il sera envoyé à toute personne qui en fera la demande par lettre affranchie. Il a été rédigé en outre de papier, et il sera envoyé à toute personne qui en fera la demande par lettre affranchie.

Chaque boîte de PILULES DEBAUT est accompagnée de ce manuel gratuit.
