OFFICE 73 CHARTRES STREET.

Board of Aldermen—Special meeting last evening, Mr. Graham in the chair.

The resignation of Mr. Carrière as a member of the Board, offered on account of absolutely from pairs the bolks and account of absolutely from which many of them were taken from pair the bolkbeads below Esplanade street was adopted finally.

A resolution author zing the Surveyor to repair the bolkbeads below Esplanade street was adopted finally.

A resolution to advertise for proposals to repair the railing around Lafayette square, at a level.

A resolution author sing the Surveyor to repair the bulkheads below Esplaned street was adopted unable to advertise for proposals to repair the railing around Lafayetts square, at a cost not to account of the Commission was tabled.

A resolution issuering the City Attorney to compet the Commissioners of the Pirst Draining District, to expend the draining enable, which is a constant to the Commissioners of the Pirst Draining District, to expend the draining enable, which is the strength of the Commissioners of the Pirst Draining District, to expend the draining enable, which is the strength of the Commissioners of the Pirst Draining District, to expend the draining enable, which is the strength of the Commissioners of the Pirst Draining of the Commissioners of the Pirst Draining the property of the Commissioners of the Commissioners of the Pirst Draining the property of the Commissioners of the Pirst Draining the paying out of city notes, except in payment of claims of \$100 or less, and directing the Transacrer, where claims are greater, to inset where the property of the Commissioners of the Pirst Draining and the Pirst Draining the Pi

the received, on this important subject, including which collects the principal in favor of voting for Democratic at the approaching election. We noterwaten, which has not approaching olection. We force. That which has just hap labams ought to sulighten us on the will attend a if we content ourselveing the Constitution without electing lates. To as will be applied the law just been voted for our neighbors, overnment of the State and the city code in the hands of elected Radicals chaps, monstrons, and it would be included in the text of the bill was not there to be determined by disinterested arbitrators, was adopted.

iliberation of the matter until the next regular meeting.

The Committee on Streets and Landings of fered a resolution that the Mayor be authorized to enter into contract, by notarial act, with Mayer and Henry Stein for the removal of dead animals and stating the conditions of said contract, which was adopted finally. A resolution providing for the macadamizing of Clay atreet, from Conti to Chatombouse streets, with the stone now being broken at the Workhouse, was passed that ly and sent up for concurrence.

ARRIVAL OF THE STAR OF THE USION steamship Star of the Union, Captain Clokey, from Philadelphia via Havana, arrived yester-day afternoon. From Havana to this port ar-perienced bekry gales, veering from SE to NW. persenced beavy gairs, veering from his owner, siles brings a full freight and the following named passengers:

From Havans-Mr.J. A. Rock, A. Gelps, L. Ryan, Mr.F. Etterrald and others... From Philis-lephin-H. Laws. Mr. Higgs and debild, Mr. Etternald Science, Mr. Siles with J. W. Brejsmin, Mrs. Nortle and daugner, B. C. Walls, M. A. Hall and others.

grounds for impeachment:
Andy Johnson is to be impeached on the following charges:

1. For being Andy Johnson.

2. For aggressing Congress by referring to a proper parameter known as the Constitution of the United States.

3. For instituting that the Union has not been dissolved.

4. For asserting that a white man is as good as a colored man.

5. For maintaining that the Fresident has a

cause the white population.

For that which concerns the other arguments we leave the writer of the communication above referred to to deal with it.

POREIGN INTELLIGENCE.

London, April 8.—A letter was received be

Motion to Rescind Impeachme CONGRESSIONAL.

The following letter and official opinion, given by Mr. Speed when Attorney General, in relation to the power and daties of the President in making appropriate the president in making approximation of the president in making approximation of the president in making approximation of the president and the president in relation to the Teaure of Chico bill, and anatains Mr. Johnson in the view which the hast taken of the object of the president in relation to the Teaure of Office bill, and anatains Mr. Johnson in the view which he hast taken of the object of the president in relation. This is a shot from the rear which must damage the impeacher plans very decidedly. Nothing could be cleared that that Mr. Speed most fully and completely institute the action of the President in relation to the removal of Stantou.

Attornery General's Office, and Office of the Office Washington, April 8. — SENATE. — Cole reedmen's nareau:

A bill allowing persons who had formed and
yoursesed opinions from newspaper reports to expressed opinions from newspaper reports to act as jurors, passed

Businer proposed a Constitutional amendment, declaring persons once elected President, to rice Presidents who have acted as President, inclination of the constitution of each term.

A large number of private bills were passed, when the Senate went into executive session. Adjourned Robinson offered a resolution resident in the resolution regular than the resolution regular the substitution of the House. Pauding discussion the privileged question to print 40,000 copies of luttlers speech was moved. Robinson moved regular order, with a view of getting that out of the way, but the House adjourned, after a quarter of an hours session. A pril 23, 1903.

Hugh McCulloob, Secretary of the Treasury: Hon. High M-Colloch, Secretary of the Teasury:

I have doly considered the important and interesting questions suggested by the Commissioner of Internal Revenue, found the recent legislation of Gotomer of Internal Revenue, and the recent control of the Commissioner of Internal Revenue, and the control of the Commissioner of Internal Revenue, and the control of the Commissioner of Internal Revenue, and the control of Internal Revenue, and the provisions of the act of American Internal Revenue, and the provisions of the act of American Internal Revenue of Intern

CONGRESSIONAL.

To introduce persons who are unknown t To introduce persons who are unknown to cash other, is to undertake a serious responsibility of the state of the serious responsibility and the serious to seek of the respectability of the other. This responsibility about never to seek of the responsibility about never the undertaken without first ascertaining whether it will be acceptable to both parties to become acquisited, always introduce the gentleman to the hady—never the contrary. This rule is to be observed everywhere socially, or otherwise. The chivarly of sliquette assumes that the lady is invariably the superior by right of her sex, and that the gentleman is honored by being presented. Where the sexes are the same, present the younger to the elder the nomarried to the married, or the inferior in social rank or taleut to the superior. A gentleman should never be introduced to a lady without first asking her permission. The Bergen, New York Demorat gives ac-counts of several persons having almost lost their lives by venturing cut into the middle of the main streets of Hackensack. They were nearly engulfed in the mod.

The Democratic majority in Harrisburg, last Friday, was 416, against 18t hart fall, and they elected all the Councilmen. The Republicans, however, elected two School Directors. Leba dior, Pa, went Democratic on Friday, for the first time in twolve years.

first time in tweire years.

A Frenchman named Gangne proposes, as a remedy against famine, to establish a philon throughdaying society, which is to succourage uncless members of act fellow creatures. "Persons who are not necessary for the welfare of society," he says, "as, for instance, cellibates, in maise of convents, vagabonds, poets, journalists and other infirm and good for nothing people, might be immolated if they should counider it pleasant and glorious." The amisble cannibal is, of conree, ready to be immolated at once to appears the hunger of his "beloved fellow-men This is all very well, but what, in the meanwhile, is to become of the Feerjer Islanders? conse bit is under consideration. The day was occupied in debates.

Richmond, April 8.—CONVENTION.—The resolution prohibiting the Legislature from establishing separate schools for the two races was defeated, by 67 to 21.

All the propositions for reliaf, including the homestead exemption, were discussed to day.

A speaker refused to give way to allow Sergeant Bates to be invited on the floor, saying he did not wish to see the flag brought in under Copperhead anispices. while, is to become of the Feejee Islanders Some terrible stories are told of the ravages
