Dur Canedidates.

Agreed to.

Speaker Luwell in the chair.

Meditles, of Carroll, moved a reconsideration of New Orlonas, was the decision of the Recorder as follows:

During the voice is a fine of the season of the sound and proposed and the decision of New Orlona changes commandates while the battle is going on was deply to give up the constant. We have a more marked with the bouleastics, but supposed the conductors, we presented of more self-passession and more furness than to advocate a change of the control of the proposed of the control of the c the war sympte to give up the content. We know the World was never natisfied with the bominations, but supposed its conductors were possessed of more self-possession and more firmense, than to advocate a change of front in the midst of the canvass. If we were surrogised at the World's propositions, we were natisfiable at the World's propositions, we were natisfiable at the World's propositions, we were
