THURSDAY MORNING, NOV. 12, 1868. Moners W. G Coyle & Co., of 136 Grayer

THE REPORTED EXPEDITION TO CUBA "—
The newmon, see have got up a story about an
expedition sherily the be started from this pertto Cuba, for the purpose of adding the revolution now going on in these lesses" We do not
believe a word of it. If there be any enter
prise of the kind on feet its projectors have
taken a strenge method by which to essues its
success. We should suppose that the publishy

gers, Chief Clerk of the Hence of Representa tives for a copy of the Official Journal of the proceedings of that body at its last session.

THE PHONOGRAPHIC MADAZINE: A periodical devoted to the interests of Phonographers and students of aberthand. No. 1. November 1, 1898. H. C. Massley and J. O. Nixon, Jr., editors and proprietors, §4 Camp street, New Orleans.

graphs is simply a brief method of writing by shorthand; a system in which, we are told, too letters are need with see and sounded. The meaning of the 'word is "the art of axing reseing the sounded of a language by symbols, noe symbol or character being appropriated to such sound." It is chiefly used for the purpose of reportage we return the utherances of public speakers, and to those who are unacquainted with it, it is sectionably how many words and involving so little laber. We are infirmed it is named in 1806 and 1867, as it is a recough rise professions is not yet crowded fix England it is a recovarised profession. many of its ablest much be ring sommanced their careers as report for The apply of competent p'onographer in the United States, we hears by an article in this magesine, he sewer equalled the desaund. Now here is a praiseworthy undertaking in wholl desers Manley and Nixon deserve as course, and we consider the proposed for the province of the pr ome trade, so that when they were overtake
