The New Orleans Bee.

OFFICE 73 CHARTRES STREET. NEW ORLEANS, WEDNESDAY MORNING, SEPTEMBER 28, 1870. 44th YEAR—Vol. XLIV.—Whole—15,175.

CITY INTELLIGENCE.

City Council.—There was a regular meeting of the City Council last night, a full quorum being present.

The Mayor submitted the names of those who were appointed as delegates to the Commercial Convention.

The Administrator of Police offered a resolution to purchase 7000 barrels of shells to improve Annunciation Square. After some discussion pro and con, the resolution was laid over until the next meeting.

The Administrator of Police also recommended a new station-house for the harbor police. Referred.

An ordinance to improve the wharves and landings, was laid over.

Administrator West offered an ordinance to authorize the building of a railroad on Calliope street to the Levee, and up to Carrollton, was ordered to be printed.

An ordinance was adopted, authorizing C. A. Mühlenberger to erect a coal scale on the Levee.

Administrator Shaw submitted a report, favoring the payment of a large number of small bills and gas incrustations made to various asylums. Adopted.

An ordinance to prevent the waste of the water of the public water works from hydrants and cisterns, was laid over.

Administrator Pierce offered a resolution to increase the salary of the Secretary of Police from $2000 to $2400. Laid over.

Administrator Bonzano offered a resolution that a certain amount be appropriated to pay the expenses of the Administrator of Commerce to visit various cities of the Union to inquire as to what are the rates of insurance, &c., of those cities, to thereby remodel our own laws. Referred after a few humorous remarks.

The petition of C. M. Redon, to be released from this market leases, was laid on the table.

Messrs. Rowes and Yale having obtained judgment against the city for $40,000, offered to compromise, but as the case is before the Supreme Court, Mayor Flanders announced that he had refused to take action. The amount was for property destroyed while the firemen were absent at the Fair Grounds.

A petition from C. Lynch asking that an additional appropriation be made by the city to the $15,000 made by the General Government to survey the city of New Orleans, was referred to the Mayor.

A number of petitions were received and referred.

A motion to appropriate $1100 for a hook and ladder truck for a Washington Fire Company Absent, offered by Mr. Eddy, met with considerable opposition on the part of Mr. Wallace, but was finally adopted.

A resolution to appropriate $2650 to the new fire engine in the Fourth District, (Jefferson City), was adopted.

After the introduction of other unfinished business, Council adjourned.
