Chanzy is a proper of the insurgents. The execution he sentence of death passed on him The proceedings of congress malesses final adjournment Bronday. WEATHER REPORT. Heshington, March St.—The average of the lowest presents Monday evening morth of lake Eric has more of enging north of lake Eric has more or rapidly eastward and northward, and is now so the coast of Maine. Right westerly winste have followed the advance of this storm. The easter which has been more immediate the contract of the process of the process of the process of the process of the southwest had again sequence with in the southwest had again sequence with the processor is unusually low over the whole country east of the . Eackey Mountains. Some cleadings in reported east and north of Often cleavement of east weather prevails, A rapid fall in the hammanier is reported in Missouri and Tennessee. FROMABILITIES. Theirs positively orders Vinoy to sup-reliable. Thiers positively orders Vinoy to sup-ple the riots, but hopes the insurgates. The Government of the results of the riots, and multitude at appires to consider the riots. Rother was arrested as Boulogue by order of the Versailles Government and was brutally trisated by the mob. Fresh barriedtes have been creeted, tice. Channy is in the hospital, from mal-treatment. nat dreading three days battle near ling o quarter was given on either side, a he French say frankly that they baye ted the Prussian wounded because it order or the versalites toversment and was brutally treated by the mob. Fresh barriestes have been erected, ites. Chanzy is in the hospital, from mail-resiment. Get. Cremer is spoken of an commander for the National Guarda, who guard all the approaches to Paris to prevent lavithe approaches to Parts to prevent laviation, roll amounts, signed by Louis Blanc. A creater schreicher and others, preposes, for the control of the control of the process of the creation of a Municipal Council by the creation of a Municipal Council by the suffrage of all citizens. The Central Committee published estimates of a file citizens. The Central Committee published estimates of the Council by the control of the control of the Central Committee will about the control of the Central Committee will abdition to the Central Committee will abdition to the Central Council of the Central Council of the Central Council of the Central Committee will abdition to the Central Cent Fair weather with fresh winds will probably pravail on Wednesday on the Uwiff and South Atlantic gustle and frush winds on the mid Alantic and Lakes, partially clasticy on the East Atlantic. Be in not improbable that anasher seems control with the developed in lower and Masouri. interest in the control of all estimates and property of all estim oustitution, and an tag are to make a many of the conform to its provisions, see every dealer in public securities of the for example, he said that the show along their line of march was atrewn with people, and that they must keep not the terms of their commission, thasers of such securities cannot not be terms of their commission, thasers of such securities existing the securities cannot not be the capital to the securities cannot ge thouselves to be innocent third tles, ignorant of the equities existing when the parties to the original transitions when the parties to the original transitions and that they are bound to enter the parties of the respondents about Paris say the Principles of the capital; also because they are bound to enter the parties of the power of the Legallar of the power of the Prinsians in a certain village of the power of the Legallar of the power of the Legallar of the power of the Legallar of the power of the p three. But we think that public motion about the should be given in some form to serve a warning and as suggested in a prevate to course, write of injunction against the Anditor and Transner of the Matter which will prevent the issue and payment of any payer has right to sak for such presention from the courts, and we suppose there would be no hesitation in extending it, on the part of the latter. If that been suggested that a publication should be made through the press to bank to, province and dealers in securities ground the warning of the State debt fixed by the constitution has been reached, and that all bonds on other orbitigations in excess of this limit of the State debt fixed by two volumes and the relation of friend, and seek what was most to the ending and will not be paid. A parcet of the State debt fixed by two volumes and there orbitages are supposed the previous of the suppose there is now in circulations among our criticus, and has been largely signed. It is in these words: It is in the extra the property coverage and tax between of the circulations among our criticus, and has been largely signed. It is in these words: It is in these words: It is in the extra the property coverage and tax between the provides of the property coverage and tax between the property coverage The shaded control of General Law of Napoleon's 'rbute from Dover was an ovation. Blessarch Wants to Get Rid of Aleace and Lorraine—Germany's Commercial Presspecial Bepatch to the N. Y. Standard.] London, March 16.—Special alvices from Paris anacotuce that M. Thiers has received a diplomatic inclosure from the German Chancellor, stating that he experiences great embarrassment in event structing the political and commercial relations of the cetted provinces of Aleace and Lorraine. The inhabitants resist every innovation, and this coupled with the profess to the propose of Paris; the recognization of the National Guard coupled with the profess and suppressing, the prefection of the National Guard coupled with the profess of Paris. London, March 21.—The bullion in the Bank of France has been senoved to Versalize allies and the unused notes lave used to stroyed. M. Comhatea, assuming to be general dictator of the telegraph, orders has supported in the tonsor of the versalizes government on the following conditions: The election of a communal by the profess of the National Guard coupled with the power of self-election, and removal of other National Guard coupled with the power of self-election, and removal of other National Guard coupled with the power of self-election, and removal of other National Guard coupled with the profess and provided and the products of the National Guard coupled with the profess and provided and the profess of the National Guard coupled with the profess of the Nationa The Auditor's exhibit of the State debt and lorraine. The Assexed People Obstinate. The inhabitants resist every innovation and this coupled with the protests from the German Boards of Trade that competing it makes the William in y family. For sale by M. Straburg and Saverne, and other either of the manufactories of Mulhouse, Colmar is now family. For sale by M. Straburg and Saverne, and other either of the manufactories of Mulhouse, Colmar is proved to the straburg and Saverne, and other either of the manufactories of Mulhouse, Colmar is proved to the straburg and Saverne, and other either of Alsace, will injure their business, reders to task of reorganization onerous. Exchange for a Canaderation. Count von Bismarck accordingly intimates that for and in consideration of an increase of the indemnity by one the addresses will have a good on increase of the indemnity by one the addresses will have a good on increase of the indemnity by one housend tive hundred inillions. Germany hay relinquish Alsace and Lorraine. This dispatch has as yet received no official world for sixty cents by one pr. F. V. Pierces, Britisho, N. V. Pierces, Britisho, N. V. Pierces, Britisho, but its statements appear plansible. ABLINGTON-Mas. Late's ETATE.— In the U. S. House of Representatives on secondly Mr. Braxton, of Virginia, introduced a bill, which provides that upon a full releases and conveyance of all right, take, and listeness at law and in equity by the devices under the least will and testament of flowers. W. P. Contin. decreased, in the great of med caused "Aringston," consisting discussions of med caused. Aringston, consisting discussions in the agency.
