NEW ON BARR, WEDNESDAY MORNING, JANDARY S. 1878

the first Monday of the month, but so for nothing has been done by either beam of the way of business. The Sanake has not yet organized, a querum of the members in the reason of the members in a said all the members are in the only or its neighborhead, with the emosphere of the common ment in the only or its neighborhead, with the emosphere of the Democrate pretire mat he begin had the Democrate pretire may be head and Thompson-but the "Castem Escale" a debeyonts and the Democrate pretire may be head as President of the body, should the majority of opinion that the extra assiss held. To effect the Pinchbaelt is not biseful. To effect the Pinchbaelt is the Pinchbaelt is the Pinchbaelt in extra control by a majority of four, which indicates that the influence of the Gevernor in the House has been partially breken. The sound imperiod is provided of the Benate, but that a Soundor of the Castom House, or Dimocratic party will be chosen. And that Warmookle suite programme of operations will be aspect. The feeling against him becomes extension in pilitical circles is that Thobboalt will near the programme of operations will be aspect. The feeling against him becomes extension in pilitical circles is that Thobboalt will near the programme of operations wi
