Towner of the Manager States are represented to the discharge inspires is to no small extent until gated.

We must believe, as we certainly hope, that Mr. Greeley is perfectly sincere in his professions; mane the leaw eccament but sok on the stead now taken by the former edutor of the Tribune as a subdem and expected conversion.

It is but yesterday that a leading Demirat told us that we must take Mr. Greeley in the profession of the third that we must take Mr. Greeley in the profession of the third that we must take Mr. Greeley in the profession of the third that we must take Mr. Greeley in the profession of the third that the sum must take Mr. Greeley in such a policy? We may well the profession of the third that we may be the parents of the third that the sum and no arrest in the military encroachments.

We are not emperalized, we trust, if we should ask: what is it that has caused this great change in the opinions of the great c For Philadelphia, via Hayana, tong or defenday, rue ist, at 5 year. Maryon Liber U. S. Mail St. Team part Secret D Jos Cope INO. LEWIS. tion of every principle of sengeroverament with signal to consists in renewing the sengers of the platform of the speaking is concessive; in his policy—will what are his concessions, the merginter of words; is not his apparent of the French preparing the way for extensive mounts tions in the exercise of the right of diffrage; particularly so, should that vertice depend neither on "race, color of previous esculition"

Still, whilst we award all the merita to shich Mr. Greeley is entitled for his aiment, and the meritar to shich Mr. Greeley is entitled for his aiment, on the ammenty question, we are more the lass of opinion that his pass pointed course is calculated to excite natural asseptation.

Again. This 'Session Again. This 'Session Again. This 'Session and the strength of the circumstance is not yet ended. A new train has been applied for upon the following grounds:

I. That this court is solely a count of the course of the strength of the course of the strength of the course of the strength of the validity of the fact of a marriage, axions the course of the strength of the decision of other questions clearly for the decision of other questions clearly iffrage: particularly so, should the modified payment.
