Hubie O'Brien to Referee Herman-Williams Battle

New Orleans sport lovers are much interested in the announcement that Pete Herman, the honest and fearless bantam champion, has named Hubie O'Brien of this city as the third man in the ring in his coming battle with former Champion Williams at Baltimore for the bantam championship of the world.

McGraw is a Scrappy Gent and Giants are Only Love

New York, June 30.—The pugacious spirit of John J. McGraw was alone responsible for his recent troubles with the National league, John K. Tener and several New York newspaper men.

His fiery temper broke loose against Empire Bill Byron in Cincinnati, and for plugging Bill on the cheek he drew a heavy fine and suspension. The action of President Tener in fining and suspending McGraw was like tossing oil on a blaze.

Called on the carpet by the league directors, McGraw denied statements credited to him in a written statement, which discredited the stories sent home by New York writers, and got him in decidedly bad with the scribes. It was out of the frying pan and into the fire for McGraw, but it is said that he admitted heavy pressure was brought to bear which resulted in his signing the statement that appeared the National league, and as this is generally accepted as the "straight" of the affair, it is only natural to conclude that McGraw said everything that was credited to him.
