Charleston, Nov. 15, 1852.

During the last winter and spring, I was afflicted with a very severe and distressing, sheamatism. evanishment of the proposers in head weather. I now take great pleasure in staing, that are hottles of the Indian's Panacca restored me to perfect heath, and I confidently recommendat to all similarly afflicted.

Charleston, March 37, 1859.

I was accised about three years more, with a distressing the upatism, caused by taking a severe cold, while under the fifteence of merenry, and which has distributed in from business nearly ever since. Dusing this period I have been a patient in the Marine hospital in this city, upward of long months, and mearly the same length of time in the Baltimore hospital, and tried all caused every remedy, with little benefit. On the toth of February last, at that time scarcely able to move about upon cratches, I commenced the use of the Indian's finances. In once month I found myself entirely freedown pain, and am new happy to state that I consoir myself perfectly well.
