see which terminate in the prescriptor of those functions.

In common with the generality of realty good medicines, this cordual contains nething of a mercurial or deleterious nature, among the many ingredients which compose it; but is, at the same time, so essayle, yet so efficacious, that while it can resorted the prescriptor with the compose it; but is, at the same time, so essayle, yet so efficacious, that while it can resorted the prestrated energies of a giant, an inflast may use it, not only with himpurity, but with advantage.

The unages of society are unfortunately such, that, notwithstanding the henselfs which would be sure to result from it, we cannot enter into an analysis of this incestimable socidial here, or publish many of the documents which have been received as wonchers of the blessings it has conferred on numbers of despating individuals. But this we cannot forbear research; ever, if any such thing at all, as natural harranees, or as natural inductility of the proreast functions, in either sen; and therefore, that those evide are the offsets of artificial causes, and may be specificly subtued and removed by the use of "Le Corfelal de Lastina."

The Lucina cordial is also an industriable sure for the gloci, and for the floor albox, obstructed, difficult, or painful menstrustion, also for the laccontinence of urise, et the involuntary discharge thereof. It is likely were an invaluable and unrivaled medicine in cases of chronic eruptions of the shin, and in the dropical afmost distinguished physicians of New Orieans, Mr. Gioquel had formed an establishment for shower and vapor baths, by means of an apparatus already knews in Europe, which apperince has taught him to modify, the employment of which is remdered as easy, that the most singuishment may put into operation, by means of which he has obtained the most favorable results, and has restored invalids to une apasted beath who had been attacked with goot, rheumadesn of various kinds, exofulas and scottic affections, tetters, dec. With this apparates medicated shower and vapor beaths pasy be substituted for the ordinary batherina, and the states it is consequently independently necessary for large families, or in automic seatablehaments, such as bearding houses, hospitals, de. Mr. Gioquel being about to depart for France, is willing to dispuse of this apparatus, made under his orders at Paris. He will give every information respecting the meanner of putting it into operation, and will furnish sertificates from the practical physicians in Europe, together with reports from various exisatific bodies, appointed to give their options respecting the mode of bathing, so generally peastised in France, is willing to dispuse the properties of the practical former of the practical physicians in Europe, together with reports from various exisatific bodies, appointed to give their options respecting the mode of bathing, so generally peastised in France, Germany, Italy, &c.

Mr. Gloquel also edies for sea he, icronissing library, to which he has added various works of jurisprudence.

N. R.—Madame Cloque is not altous to lever the city, therefore the sulphureous baths will be administered in useful.

oranterina ever attempted has hally been beengine to this time and the city of New York; we mean an installant of that most deservedly popular medicine haown "Research" Trade Minters," for fever and ages.

We had but jost put down an installant of Rowand's Trade Minters," by L. S. Constock & Co., when another, still more dangerous, makes its appearance from the store of "Namena" Hrothers," No. 100 Water street, N. Y., in which the Jac simile of the preprietor has been counterfeised—his copy-rights infringed upen—his certificates copied—and, in fact, imitated in such a manner, that from the outward appearance, it can starcely be detested. We would also any, that we have commenced a suft, in the United States court, for damages for this "privary," upon our rights, and request denders to be very careful of whom they purchase the article, unless its source gan be directly traced to the proprietor, or some one of his general agents, whom he has sudeavored to select, as menopiving the utmost respect and conference of the communities in which they reside, and who, we trust, would blush to offer any other than the true and original "Rowand's Tonde Mintures," for the paltry gain of a few deliars, thereby endanguring the lives of their would blush to offer any other than the true and original "Rowand's Tonde Mintures," for the paltry gain of a few deliars, thereby endanguring the lives of their sellow deliases.

JOSEPH T. POW AND, Proprietor.

Successes to declor John R. Rowand, No. 28 Manket street, Palmetological And partonally putting forth the proprietor to endicate and labels.

I HAVE the hearon to inform the ladies of this user specially esoccaring every article of CHILD Research processes, and the success of the security opening on the newest fashies, books, hate, and cape of every form and kind, little collars for erevisia, pose, half shirte, and generally all that concerns children's few. cence. GIOQUEL,

sorror of Boarbean and 8t. Anne
R. R.—Machane Cliquel is not about to leve the
city, therefore the sulphureess baths will be administered of wetal.

R POULLY & BROTHER, inform builders
and other in this city, and the contry adjacent,
that their steam mill has just been put into operation,
and that they mean to keep constantly of hand calclined cement for all kinds of stucce-work, and plactur
for enriching the soil.

Having devoted the fullest attention to the completion of their gachines by which time is not only sevel,
it in the most perfect placter casts made. They can
warrant the quality superior to that of any of the
plasters imported from the North, having the advantage of being freshly made without a particle of lime.
The price will also be lower. These reasons embolden them to look for a share of public patsonage.
Orders can be left at their office in Exchange alley,
or at the manufactory at the corner of Managay and
Urquhart streets, at the Pontchartrain railread.
P. S. A large deduction will be made to these who
are orders to fill from a distance.
