OF KENTUCKY.

whicest to the decision of a National ConNEW-ORLEANS: SATURDAY MORNING, OCTOBER 19, 1639 THE WHIGS AND A NATIONAL BANK

spec. e payments in Philadelphia, Baltimore, and plant New York.

SUSPENSION OF SPECIE PAYMENTS.

Letter received in this city state positively that are the books in Philadolphia SUSPENDED CAST PAYMENTS, on the 10th inst. Other letters an manica similar suspension of the banking institution in New York and Baltimore. With recent to New York and Baltimore is set southern to the state of the second to the s ew-York our information is not positive. Our SUSPENSION OF SPECIE PAYMENTS. The following resolutions were adopted but even-ted by the Presidents of the several Banks of the

sent and howed down beneath the pressure of time. The future annalist will record the sum-charles 1930 as the most fruitful in wide-spread mg of any perhaps, ever felt in the southern

system of having set fire to the court house in town which was consumed some months since." I were to be examined on the 12th before judge

discussion. Among the mays figure conspicustion names of Cambrelong, Johnson, Polk an of its now staunchest advocates

MURDER.

Times from Opelousas, was lately muritered extended by Landry, by some person unknown soled him it is supposed, of a considerable survey. It is presumed that the deed was some if the mear Mr. Roget's plantation, whilst Mi

ow no to return the sinesse thanks of the citi.

Every thing around me in in such confusion that it is difficult to write intelligibly. It is supposed that the Philadelphia hanks suspend this day or writ to merrow; but we have no certain information on the subject; but we have no certain information on it there a signal for her.

The steamship Liverpool has not arrived, nor in there a signal for her.

But little done at the broker's beard, and that which under wration in prices, except U. Status Bank, which said at 174.

THE EXAMINER.

AUGETA.—The sickness has greatly dimenshed. The deaths do not exceed one or two a day.

If this be a specimen of native taltent which cuff from the other side of the Atlantic send as thrift present dree, we can have no great wish for next importations. Jim Crow is a miserable-ragged ingenousing a hornel tune to the lowest and most unnexating of all possible jurgons. If there were human of any kind in it, the valgarity might perhaps to paridoned from the month of the writch who coarse but it is atterly dail, and is morely a string of negro-bang.

The foregoing, from Blackwood's Magazine, is as

we seem intelligence has been received of the austine of store in comments by the banks of the print of style in comments are the banks of the print of the street is string states, are in a state of suspensions. The force of the opinion of this mosting a sub-module of style prints of the opinion of this mosting a sub-module of style prints of the street is street as the opinion of this mosting a sub-module of style payments be and that therefore the surredisting a state of these what a special state of these what is the recommended to the banks to street a specie payments be an elected in force during the late suspension. If the American public had taken connect of the street is recommended to the banks to street payments be an after hereby revived, and othly statements of the condition of the banks in street in force during the late suspension.

It is a first the state of the condition of the banks in the street is street as species. The forth of the street is precised to the street in force during the late suspension.

It is a first the state of the condition of the banks in the street is street in the street in force during the late suspension.

It is a first the state of the street is successed to the street in the street in the street in the street in force during the late suspension.

It is a first the street in the st ang. The foregoing, from Blackwood's Magazine, is as

prison to their view says wignats. He was wrethly edly poor, bat not a cent in the world, and was suffering from hunger, cold and ackness. In reply to a question from the alterium, whether he had no pension from government, he stated that all his applications had been government. son frem government, he stated that all his applica-tions had been unsuccessful, his name appears on the muster roll of McDonough's ship, but he last no further evidence of his identity with the Greege G. Morris there mentioned. "Who is there," said he, "among the officers who recollects the poer wounded private 1 The only one who perhaps could prove the fast is McDonough, and he is dead." The alderman filled his commitment and the age

stricten and in tigent soldier hobbled away with it stricted and in the national soldier hobbled away with it to the country poles.

Some Choole We understand that some of the national soldier of the sugar plantare in the torsic of St. Mary will connece refling their crops this day, the cane being now sweeter than it has been for many verar past, even at a norse advantage brief of the season. By the lat of November, we presume, "feer sugar plantation in this part of the state will be in full operation. Should the weather continue favorable, the crops will be abundlent, and the sugar will be of a quality equal, if not superior, to any heretofore made in Attakapas.—Attokapas Gazette.
